SUMMER HAPPENINGS

Summer at The Reef

As a Member of Ocean Reef, you know our Club is built on a foundation of long-beloved traditions, some extending more than 50 years. These traditions, just some of the many things that make Ocean Reef so special to us all, continue throughout the summer months.

Whatever it is, everyone has a favorite summer tradition at The Reef. Maybe it's a golf cart ride from your home to Buccaneer Island to watch fireworks and celebrate the U.S.A. Or to the golf course for a special Father's Day golf tournament with dad. It may be leaving your dock with family in tow for some lobstering, only to bring back your catch to have it cooked freshly by any one of our talented Club chefs.

This and so much more awaits at your Club this summer and every summer, with new and exciting traditions building along the way. As you peruse the 2023 Summer Happenings brochure, you'll find that this will be a summer celebrated for years to come.
