SUMMER  
HAPPENINGS

# Summer at The Reef

When we think of summer, we think of heading out the channel on an early morning fishing trip, lazy afternoons spent lounging on Buccaneer Island, evening sunsets complemented by a glass of wine at Port O'Call and maybe a round of golf squeezed in between. If your image of the perfect summer matches ours, you'll love what we have to offer this season.

In addition to beautifully simple days like the one described above, there is also a full calendar of activities across The Reef. Lively tournaments on the water, golf course and racquet courts, celebratory beachside bashes, over twenty unforgettable camp experiences and mouth-watering cuisine promise to make the summer of 2026 one to remember. And while we don't have a favorite Club tradition, Independence Day is always spectacular, with this year marking the Nation's 250th Anniversary.

Here's to an unforgettable summer – we look forward to seeing you at The Reef!
