07FA - RNAV PROCEDURES

AIRPORT TERMINAL HOURS:

November-April: 8AM-6PM. May-October: 8AM-5PM

GENERAL CONDITIONS:

Ocean Reef Club Airport has Operations Authorized for Special Non-14 CFR Part 97 Terminal Instrument Procedures (Special Instrument Procedures). These are instrument procedures that are not published under Part 97 at a single location. Permission to utilize these procedures must be granted through the Airpark Process (Part 91 Users) or through the Letter of Permission Process (Part 91 with an FAA ID, Part 91K, and Part 135 Operators).

PART 91 USER(S):

Must be added to the Ocean Reef Club Airpark to utilize the procedures.

Airpark:

A private use airport with 10 or more Part 91 users utilizing one or more instrument procedures. To be eligible for authorization, a candidate user must hold a valid, standard U.S. pilot certificate at the private or commercial level with appropriate powered aircraft category and instrument ratings, or a valid U.S. ATP Certificate.

Request Access:

Email airport@oceanreef.com with a list of names and associated email addresses interested in being added to the Airpark. A SmartSheet "Update" request will be sent to the interested individuals when the Airpark's Responsible Person is active. Only fully completed information will be added to the next proposed User List with the FAA.

Chart Issuance:

Once the FAA approves an updated User List, the Airpark's Responsible Person will advise users through the SmartSheet System. Users will be provided the charts once the approved user has been briefed and the proper signed documents are on file.

PART 91 WITH AN FAA ID, PART 91K, PART 135 OPERATORS:

Must receive FAA authorization in Form 8260-7B. The Letter of Permission provided by Ocean Reef Club Airport initiates that process.

Letter of Permission (LOP):

Send the following Operator Contact Information to airport@oceanreef.com. A Letter of Permission will be issued to the requester by the FAA's listed Airport Manager.

Operator Contact Information

Operator/Company Name:

Certificate # or FAA ID #:

Attn:

Address:

Business Phone #:

Chart Issuance:

Will be provided by Hughes Aerospace. The contact will be listed on the LOP.
