A STORY OF A LIFETIME

Established as a private fishing club at the mouth of the Dispatch Creek 75 years ago, Ocean Reef Club has literally grown up around its prized marina. It has been the primary port of call for generations of avid sportsmen and their families, forming the heart of this revered club. Convenient to the Bahamas and encompassed by the famed waters of the Florida Keys, filled with trophy contenders, Ocean Reef Club's 175-slip, mega-yacht Marina is nothing short of world-class. Arguably one of the finest marinas in the world, a full range of dockmaster services and private fleets of charter boats are available exclusively to members and their guests. Having long attracted legendary sportsfishermen and yachtsmen to its renowned harbor, the Marina is a place where boaters have met and gathered for decades.

MARINA EXCURSIONS

DEEP-SEA FISHING

The western edge of the Gulf Stream is approximately 30 minutes east of the Club, allowing for limitless sportfishing adventures. Dolphin, blackfin tuna, amberjack, wahoo, marlin and sailfish are some of the many trophy contenders that can be caught off our shores.

CORAL REEF BOTTOM FISHING

Numerous patch reefs are located within 20 minutes of the Club. Coral reef bottom fishing typically brings our anglers encounters with grouper, yellowtail, mutton and red snapper.

FLATS AND CREEK FISHING

It is only 10 minutes to the shallow flats, where bonefishing is some of the best in the world. Likewise, the mangrove-lined creeks surrounding the Club offer giant tarpon. Permit, trout, jack crevalle and snook also are frequent on the flats and creek areas, depending on the time of year. For a masterful experience, contact our fly fishing school.

SNORKELING

Exploring the shallow offshore reefs is an easily mastered and highly enjoyable sport. All necessary equipment is available at the Club as well as expert instruction.

SCUBA DIVING

Scuba diving, the ultimate underwater adventure, is available for certified divers. For guests who are not certified in scuba diving and wish to experience it, a one-day “resort” scuba experience is available with The Dive Shop at Ocean Reef.

WATERCRAFT RENTALS

Assorted watercraft rentals are available for use on the ocean including: 18’ and 24’ powerboats, sailboats, kayaks and stand-up paddleboards. Sailing lessons and guided aquatic tours are offered at an additional cost. Within the lagoon, small kayaks and paddleboards are available for children and families.

CRUISES AND CHARTERS

Another delightful activity is taking a fishing trip, day charter or even a sunset cruise aboard one of our specialty charter boats.

Hours of Operation: 7:00 a.m. to 5:00 p.m. For more information, please contact the Dockmaster’s Office at 305-367-7740
