

MESSAGE FROM YOUR CLUB: CORONAVIRUS

OCEAN REEF CLUB®

A UNIQUE WAY OF LIFE

KEY LARGO, FLORIDA

March 16, 2020

Dear Member,

Given the ever-increasing seriousness of the Coronavirus, and out of an abundance of caution and concern for the health of all of our Members, Associates and other community members, your Ocean Reef Club Board of Directors and Management Team has decided to implement the Club's contingency plan effective immediately. This will include all dining services and other amenity closures around the Club as referenced in our email correspondence on Saturday, March 14.

Specifically, the Club will be closing all restaurants effective this Tuesday, March 17th at 10:00 pm. You will be receiving an email later today containing ordering information and menus to be used for Private Dining, delivery and take-out services for breakfast, lunch and dinner.

We have a full complement of food here at our commissary. Based on discussions with our various purveyors, we are not anticipating any interruptions in our food deliveries currently. Our goal is to provide service to every community member requesting Private Dining delivery or take-out throughout the day.

Specifically, the Club will also be CLOSING the following venues effective Tuesday, March 17 at 10:00 pm:

- All restaurants and amenities serving food and beverage
- Member Fitness Center and Marina Fitness Center
- Spa and Salon
- Tennis and Pickleball Clinics
- Golf Clinics
- All Retail Stores, except the Gift Shop (next to The Inn)
- Nature Center & Rec Room
- Dry Cleaning

The following outdoor options will remain OPEN to Members until further notice:

- Golf play on the Dolphin and Hammock Courses (utilizing your own cart)
- Practice area and driving range
- Tennis and Pickleball (games organized by Members)
- Lounge chairs and towels will be available at Buccaneer Island (no food and beverage service)
- Complimentary coffee service will continue to be available (a service attendant on hand to eliminate contact)
- Additionally, effective immediately, no new reservations will be accepted for The Inn, Marina and Vacation Rental properties or Golf Cart Rentals. The only exception will be for Equity Members and their families.

By taking the above measures, our aim is to limit social contact and protect our Members and Associates. We strongly recommend and urge all Members to NOT HAVE NON-FAMILY GUESTS come to Ocean Reef, either to their home, Inn or rental units, during this period of time until the situation remedies itself. Please remember, although we are one of the safest communities in the U.S., we are not immune to this virus. Be Vigilant!

We appreciate your patience and support of these measures in this unprecedented situation, as safeguarding our entire Ocean Reef community continues to be our top priority. As of this writing, we do not have any confirmed cases of Coronavirus.

On behalf of your Board of Directors and Management Team,

Alex Tonarelli
Ocean Reef Club President
