

# MESSAGE FROM YOUR CLUB: CORONAVIRUS

OCEAN REEF CLUB®

A UNIQUE WAY OF LIFE

KEY LARGO, FLORIDA

Monday, March 16, 2020

Dear Member,

As mentioned in today's previous correspondence, for the safety of all Members and Associates your Ocean Reef Club Board and Management Team has decided to cancel seated service in our restaurants and bars, effective Tuesday, March 17 at 10pm. This was not an easy decision but one we believe to be prudent under the circumstances.

Your Club Food & Beverage team has created an extensive plan to be able to offer food dining options from Private Dining and the restaurants listed below, starting Wednesday morning, March 18th. Members will have the option of curbside pick-up, which will eliminate the need for anyone to enter the restaurant, or delivery service to their home and the Inn. We will also not require signatures on deliveries or pick-up orders.

To ensure the best quality of food and our ability to service all Members, we have created special menus for all restaurants. These menus are available on our website at [oceanreef.com/diningoptions](http://oceanreef.com/diningoptions). Other than dietary needs, we will not be able to accommodate special orders and are limited to 10 menu items per household. However, for larger size orders we have created special family-sized options that will be available through Gianni, Burgee Bar and Reef Hut. As we anticipate high volume, we ask that all orders be placed at least one hour in advance. For your convenience, each restaurant will be able to take your order via the phone number or email listed below.
