

# MESSAGE FROM YOUR CLUB: CORONAVIRUS

OCEAN REEF CLUB®

A UNIQUE WAY OF LIFE

KEY LARGO, FLORIDA

March 19, 2020

Dear Member,

In an effort to keep you informed, we are providing new information from the Medical Center regarding Coronavirus in our community.

COVID-19 Dashboard as of: 03/19/20 12:00 a.m.	Total
Pending Lab Results	0
Negative Lab Results	2
Positive Lab Results	1
Confirmed by Dept. of Health	0

\*All positive tests must be confirmed by the Dept. of Health.

The Medical Center has been advised this evening that a Patient Under Investigation, following an international trip, has tested positive for COVID-19. Adhering to CDC guidelines, the patient has maintained self-isolation directives since a swab sample collected at the Medical Center.

In accordance with CDC protocols, the Monroe County Department of Health has been notified. They are leading the inquiry, investigatory tracing and additional testing is underway. In collaboration with the Department of Health, the patient will notify those for whom there may be an exposure concern. During this period since testing on Saturday, the patient has remained in isolation.

We know many of you have family visiting for extended spring breaks. We would like to emphasize the recommended protocol: maintain social distances, shelter in place as much as possible, and wash your hands frequently.
