

MESSAGE FROM YOUR CLUB: CORONAVIRUS

OCEAN REEF CLUB®

A UNIQUE WAY OF LIFE

KEY LARGO, FLORIDA

March 20, 2020

Dear Member,

Given the Club has experienced its first presumed positive pending Dept of Health/CDC confirmation, we have decided out of an abundance of caution to close operations at Buccaneer Island effective today, Friday, March 20th. We will remove all lounge chairs and towels as part of the closure.

We continue to urge all Members and Associates to follow the recommended CDC protocol:

Maintain social distance

Shelter in place as much as possible

Wash hands frequently

These and other CDC recommended precautionary measures are set forth on the CDC website:-

We appreciate your patience, understanding and support during this difficult and challenging time.
