OCEAN REEF CLUB®

A UNIQUE WAY OF LIFE

KEY LARGO, FLORIDA

March 24, 2020

Dear Member,

In order to continue to communicate accurate information, we are providing a link to Governor DeSantis' Executive Order Number 20-80 regarding all airports in the State of Florida.

As taken from Section I.

A. I hereby direct all persons whose point of departure originates from outside the State of Florida in an area with substantial community spread, to include the New York Tri-State Area (Connecticut, New Jersey and New York), and entering the State of Florida through airports to isolate or quarantine for a period of 14 days from the time of entry into the State of Florida or the duration of the person's presence in the State of Florida, whichever is shorter. This Order shall not apply to persons employed by the airlines and those performing military, emergency or health response. This Order shall take effect on March 24, 2020 at 12:01 a.m. All persons isolating or quarantining under this Section, shall be responsible for all costs associated with that person's isolation or quarantine, including transportation, lodging, food, medical care and any other expenses to sustain the person during the period of isolation or quarantine.

The Executive Order is available in full at <https://www.oceanreef.com/wx-and-notams/>

Per Governor Ron DeSantis's Executive Order effective immediately, we will be requiring ALL persons upon landing at Ocean Reef Club's Airport (07FA) to acknowledge receipt and confirm in writing that they will comply with the Governor's Executive Order.

Additionally, in a further effort to safeguard our community, we ask that you do not enter the terminal building. An Ocean Reef Club Associate will assist you upon arrival.

Restrooms are available and if needed, there is a waiting area on the outdoor porch.

Also, we strongly urge all Equity Members to limit guests in their homes to family members only. Please remind them should they choose to come that we would expect them to adhere to all of our precautionary guidelines including the 14-day self-quarantine protocol should they have traveled recently.

Thank you for your continued support and cooperation.
