

MESSAGE FROM YOUR CLUB: CORONAVIRUS

OCEAN REEF CLUB®

A UNIQUE WAY OF LIFE

KEY LARGO, FLORIDA

March 24, 2020

Dear Member,

This afternoon, The Medical Center advised the Club and ORCA the latest result has come back NEGATIVE.

COVID-19 Dashboard as of: 03/24/20 6:00PM

Total

	Total
Pending Lab Results	0
Negative Lab Results	3
Positive Lab Results	1
Confirmed by Dept. of Health	1

*All positive tests must be confirmed by the Dept. of Health

Despite these reassuring results; we encourage you and your family to remain vigilant, not letting your proactive guard down. As Governor DeSantis emphasized during this afternoon's press conference; self-isolation remains paramount.

"All individuals 65 or over are encouraged to stay at home for the next 14 days to minimize their exposure. Individuals 65 or over disproportionately will experience a negative outcome. He also said that you should assume that anybody you've come in contact with could be infected." He stated the easiest way to do that is to stay at home.

For your convenience, you can also download the Baptist Health Care on Demand App, connect with the Florida Health Live Hotline (866-779-6121) and / or reach out to your doctor. The Medical Center and ORCA Public Safety, remind you that it is critical to report all symptoms you are experiencing when making that first call. This will ensure your safety, the safety of medical personnel, and the safety of the community.
