COVID-19 GUIDELINES FOR ENJOYING YOUR CLUB THIS WEEK

GENERAL CLUB GUIDELINES

All Club facilities, including our restaurants, are operating at a reduced capacity. We ask that you please be patient as we all adjust to our COVID-19 guidelines.

Monroe County requires that all persons over the age of six wear a facial covering inside and when unable to engage in social distancing outdoors. Facial coverings may be removed once seated at a table for dining.

A distance of 6' is required between individuals not from the same household. Groups larger than 10 are not permitted.

THE INN

The Inn is open with limited occupancy below 50%. This will ensure we are maintaining

our compliance with important sanitation procedures as directed by the American Hotel and Lodging Association COVID-19 guidelines.

One of these include the removal of coffee makers, compendiums and magazines along with towel and linen service by request only. We hope to minimize touch points while still providing the level of service you expect at your Club.

BUCCANEER ISLAND

Open 9am-7pm

Guidelines for Members:

Please bring your Membership Cards as we welcome everyone back to Buccaneer Island.

Beach and pool deck areas have a significantly reduced number of lounge chairs. Please leave pool chairs in their assigned locations and do not move equipment around the facility. A

Recreation attendant will be happy to assist you.

There is a high probability that we will not be able to accommodate all Members who go to Buccaneer Island. We ask that all Members be respectful of each other and our Associates during this challenging period.

Organized children's activities are not being scheduled at this time. We look forward to resuming those at a later date.

A limited supply of Aquatic Rentals will be available.

The Beach Grill will serve food until 4:00pm and beverages until 6:30pm. Bar seating at the Beach Bar is not available. Please place orders with our servers.
