New for 2021

Due to the removal of large gatherings, there will not be a Social Pass for this year, nor will we require a daily count of attendees. However, if you would like to have additional anglers (above the allotted six), we have created a discounted add-on for the duration of the event. They will receive all tournament gifts and giveaways. This is completely optional, but a count must be provided and their size included in the *Sizing Guide* below:
