

MESSAGE FROM YOUR CLUB: CORONAVIRUS

OCEAN REEF CLUB®
A UNIQUE WAY OF LIFE
KEY LARGO, FLORIDA

Thursday, July 30, 2020

Dear Member,

The Medical Center has received confirmation that a member has tested POSITIVE. Please note, while residing on The Reef, this member sample was not processed at the Medical Center. As a result, the tracking grid reflects a discrepancy in the total confirmed by Department of Health and the total of Active/Historic cases. In addition, 2 of our remaining pending samples have returned NEGATIVE. Our tracking grid has been updated accordingly.

The Medical Center has provided the member with quarantine protocols. In addition, the member has been instructed to contact those individuals who they may have been in contact with. The Department of Health, Monroe County will be overseeing contact tracing.

We continue to experience significant delays in result turn-a-round times.

COVID-19 Dashboard as of: 07/30/20 9:00AM Total

	Total

Negative Lab Results	35
Active Positive Results: (within the last 10 days)	2

*All positive tests must be confirmed by the Dept. of Health
The Florida Department of Health/Monroe County has confirmed nine previous positives have successfully completed their respective quarantine period and the new positives are under quarantine.
Discrepancies between Positive Lab Results and those Confirmed by the Department of Health may occur when Positive Results originate from outside testing solutions.*

Thank you.
