Dear Member,

Fortunately, but for the addition of a negative travel related result, the Medical Center's tracking grid remains relatively unchanged since last Friday's Community update. The Medical Center has updated the grid accordingly.

COVID-19 Dashboard as of: 09/11/20 3:00PM Total

	Total
Pending Lab Results	0
Negative Lab Results	75
Active Positive Results: (within the last 10 days)	0
Historic Positive Lab Results	15

*All positive tests must be provided to the Dept. of Health
15 Historic positives have successfully completed their respective quarantine period and the new positive is under quarantine.
Negative and Positive counts may include both in-house (rapid) and outside (commercial lab, i.e. Quest, LabCorp) testing results.*

Thank you.
