Dear Member,

In addition to this week's Negative results, The Medical Center has processed two POSITIVE test results this week. The positive results originate from the same household. Patients have been provided quarantine protocols and encouraged to self-disclose, notifying anyone they have been in contact with. These test results serve as a fresh reminder that vigilance is our best defense to include adherence to the wearing of a mask, sound sanitation techniques, and active implementation of social distancing whenever applicable.

COVID-19 Dashboard as of: 10/02/20 3:00PM Total
