- Annual Storage paid in advance. State Sales tax is applicable to storage charge.
- Club shall charge lessee and receive an additional 10% per month for any sublet. A rack or space may only be sublet from the months of May 1-October 31.
- Storage rates paid yearly, in advance, are subject to change at renewal dates only.
- Boats will be measured overall from transom or engine mounts to a pulpit or anchor davit. LOA will determine which category your boat falls in. Boats that are larger than specified will be charged accordingly, and may end up being too large to fit inside.
- Boats with fixed keels or that requires custom chocking will be charged the maximum rate obtainable in that rack.
- *****Abnormal or special handling: any boat with T-top, hard top, tower, express bridge, fly bridge, over 8' beam or 5' 11" length must be charged special handling rate for inside storage.
- Catamarans or multi-hull boats can only be stored outside and cradle must be provided by the owner
- Stepped hull chares are an additional \$450 flat fee per year.
