## Better Together

The 2021-2022 winter season was highly anticipated by Members and Associates alike. There would be the grand re-openings of the Ocean Room, Reef Lounge and Lobby, the re-nourished Lagoon (with the bonus of additional parking) and the introduction of an incredible new Clubhouse. This year would also bring a return to “normal”, a return to the traditions that all hold so dear, and that make Ocean Reef a Club.

With this sentiment in mind, the Ocean Reef Press asked its Editorial Advisory Board, the team that has its ear to the ground and pen to paper, to tell us their season highlight. What emerged was a common theme... its not about the facilities but it is about the people, about being together, about connecting and sharing with fellow Members, neighbors and Associates.

## Connection

Can you hear the sounds around you  
Calling out do you get answers  
Could you be happier reaching out

Open your heart to others  
Only you can reach out or accept  
Onward not looking back

Need people, let them need you  
Next time be available  
Nothing of you should be closed off

No one needs people every minute  
Need time for yourself  
Normal is different daily

Each connection gives something  
Everyone adds differences  
Equally accept the difference

Cost of being alone is too high  
Call out of your funk  
Catch winds of joy when offered

Time disappears, it's ok  
Touch happy when you're able  
Think how to make someone happy

I try to follow these thoughts  
I don't always succeed  
I'm filled with love much of the time

Others are filled with love often  
Others have sadness and hate  
Others are a mix of feelings

No one wants to be alone all the time  
Nature is different sometimes  
Need and reach for the connections

Mary Zwirn, Member since 1995

### WATERSIDE CLOSED FOR SUMMER

Due to the type of permit it has, Waterside can only be open for six months at a time. Therefore, the venue has closed for the summer. The team looks forward to welcoming everyone back in November.

Please enjoy the Burgee Bar and Reef Lounge which do not require reservations or visit [oceanreef.com/dining](https://oceanreef.com/dining) to make a reservation at Islander, Gianni and for the first time in the summer, CH Prime.

# What a Season

As noted on the front page, the Ocean Reef Press asked each member of their Editorial Advisory Board (EAB) to share favorite highlight(s) from this past season. Some memories reflect articles written for the Ocean Reef Press, others events from the season, and others still, the simple gesture of a shared handshake after two years of "fist bumps."

Read on and you're likely to find you too share the perspective of one or more of the EAB members in their reflection of what made this season one of the most special yet.

## Susan Bohan

There are so many interesting people I meet through the Art League and Library but the assignment for the Press that most surprised me this year was the Farmer's Market. At first it was intimidating to take over from the wonderful Gert Mann after her passing. Everyone loved her. But it was finding out a little about the vendors and how they came about participating that drove the stories: a mother's love for cooking pudding on a rainy day with her son; 2 children realize joining their parents business is a good thing; a godson helping out at the Bakery until his dream acceptance to drama school in NYC; a young business woman switching gears to honor her late Honduran grandmother's fondness for nuts; 3 friends' passion for good meat led them to create a business around it; a young couple's love of food helps develop a future for their family; an ill dog's cure becomes a business; whether burrata or gouda, there were 2 great cheese vendors to choose from; and one of the most interesting, a couple realizes their barbecue business can keep growing. And wonderful Wynn's is helping them!

There are many others that Gemma Mathews has gathered but you get the idea. The Farmer's Market is about more than food. Gert knew it, and now I do as well!

## Sarah Cart

For me, helping promote All Charities Weekend (ACW) through the pages of this paper has been a highlight for many seasons.

And this year? Wow! In the wake of Covid, ACW broke the record for most records broken, from the number of items donated to the monies raised, to the \$1.74 million in off-Reef grants to nonprofit organizations serving the Upper Keys, Homestead and Florida City. There is no greater honor or privilege than to witness how each season's chairs step into their roles, find their rhythm and move with tremendous grace to engage the incredibly generous family that is Ocean Reef. The Preferred Partners, the All Charities Advisors, the Silent Auction Committee, the Community Trustees and the Chairman's and Platinum Chairman's Circles – everyone brings their "A Game." That combined with the 24/7 dedication of the staff in the All Charities and Ocean Reef Community Foundation offices takes my breath away.

Cheers to the whole ACW team!

## Jim Leenhouts

From "BUMPS" to "SHAKES" No, it's not from an extreme skiing lesson failure.

It's from the other fellow saying "hello" with their hand open and I still have a two year-old COVID habit-generated fist extended. Of course, we are friends, so I can open my hand now and he makes a fist so I close my hand and he opens his – we laugh at the little contest. We SHAKE – for me, it's the first time in two years. The warmth of a hand, the feeling of texture, the muscles that grasp, the ability to express, the luxury

of envelopment - It's like a hug without the complications. How I have missed and now have recently recaptured the joy of this simple gesture of friendship.

## Winston Baxter

Now that I am two years old, I am approximately twice as smart when I arrived as a pandemic pup. I have taught my parents the ropes and they are slowly catching on. We have discovered many places where I can go with them to eat -- the Raw Bar Tiki, the Reef Hut, the back porch at Reef Treats, the Port O' Call patio, the Food Truck – so they have enjoyed real family dinners with me. And I am happy the Club has continued some temporary innovations like Waterside and the Town Hall coffee service (where Donald gives me dog treats every morning). But the greatest event of the year was when **Ed** and **Martha Kavanaugh** adopted Spot, who, unknown to them, was from the same litter as I was. He is my brother! Only at Ocean Reef can friends, family, and dogs be reunited season after season.

## Mary Brady

The gentle way the sun filters through my window in the early morning.

The group of butterflies that congregate in my backyard is called a kaleidoscope, which originated from an army of caterpillars. The Monarch is exceptional. They put on quite a display.

The "surprise" coconuts that an anonymous kind soul has distributed around The Reef since COVID began. It always brings a smile.

The gentle ocean breeze, the magnificent golf courses, the golf carts zipping around, the friendly people.

The magical place that I call home — safe, secure, kind and embracing.

The fabulous sunsets that paint the sky with vibrant colors.

These are a few of my favorite things!

## Joan Birsh

My interview with **Liv Ullmann** for my Memberabilia column.

On March 9, a week before she received the Academy Award for Lifetime Achievement, Liv Ullmann agreed to an interview and I found myself sitting next to this renowned actress, quizzing her about her life and career. Then suddenly something wonderful happened. We started actually talking to each other.

Often in an interview a kind of intimacy develops as the result of being allowed to share some part of another person's life.

But this was different. This was a mutual attraction that I believe will be ongoing. We both agreed that it was "friendship at first sight."

## Jody Steele

Our excitement began in November with The Gathering, as the Season returned with the traditional kick-off. The feeling of a unique celebration among Members and Associates was palpable. Onto the beloved Vintage Weekend where we sat in the bleachers and watched the awesome cars drive by. We welcomed 2022 on the beach with happy family in tow. With renewed energy, we did everything we could fit into our days and nights recalling how many we had missed. Enjoying our tropical paradise, dining out rather than take out, sunsets with a libation, and amazing new views and venues added to our joy. It could only end on a high note with Carrie Underwood at Celebration Weekend and a gaze to the sky and the Ocean Reef Club drone show with grandchildren. It was a spectacular Season with exquisite memories to savor along with family and friends.

# Celebrating the Impact of Senate Bill 10

By Tom Davidson and Bill Nutt

May 9, 2022, will be the fifth anniversary of the signing of Senate Bill 10, the legislation that solidified the Everglades Agricultural Area (EAA) Reservoir south of Lake Okeechobee as the most important project for Everglades restoration.

Those who lived in Ocean Reef in 2015 will no doubt remember when upwards of 50,000 acres of precious seagrass died in Florida Bay.

Seagrass is critical to the health of the Bay, one of the world's greatest fisheries and, here in Key Largo, a top destination for divers and snorkelers.

The seagrass die-off was caused by the combination of excess salinity and low

Photo credit: Mac Stone

dissolved oxygen in the Bay, which in turn was connected to the diversion of freshwater away from its natural southerly path through the Everglades.

Instead of flowing from Lake Okeechobee down to Florida Bay, much of the freshwater is dumped west to the Caloosahatchee River and east to the St. Lucie River. There, the nutrient-laden Lake Okeechobee water fuels toxic algae blooms that kill sea life and destroy tourism and real

estate.

Thanks to Senate Bill 10, the EAA Reservoir is on a fast track, with unprecedented funding by both state and federal governments. It is a massive undertaking: The project footprint is larger than the island of Manhattan, and besides the 10,100-acre reservoir, a 6,500-acre constructed wetland will purify water from the reservoir so it can be safely discharged into the Everglades and Florida Bay.

Once completed, and in conjunction with other Everglades restoration projects already completed or underway, the new EAA Reservoir will reduce the algae-causing discharges to the coastal estuaries by 55% and provide 120 billion more gallons of clean water for the Everglades and Florida Bay every year, according to the South Florida Water Management District.

So, happy birthday Senate Bill 10! No project is more critical to the health of Florida Bay and the quality of life here in Ocean Reef than the EAA Reservoir.

The Everglades Foundation has vigorously supported the EAA Reservoir through its mission to restore and protect America's Everglades. Learn more at [EvergladesFoundation.org](https://EvergladesFoundation.org), and for information on how to join the Ocean Reef Advisory Council, please contact the Foundation's VP of Development Jodi Mailander Farrell at [jfarrell@EvergladesFoundation.org](mailto:jfarrell@EvergladesFoundation.org).

## NEWS FROM THE MEDICAL CENTER

# Reef Departure Reminders

## Travel Planning Tips

If you are planning to travel this summer, be sure to check on the current COVID-19 information. The Centers for Disease Control website ([www.cdc.gov](http://www.cdc.gov)) provides updated travel information. To avoid delays, carry your COVID-19 vaccination card and take a photo of your card with your cell phone in the event you lose your wallet or handbag. Additionally, update and take a list of current medications with you. In the event of a health crisis, this provides needed information for the health care provider. If you are unsure about your current medications or

dosages, please contact your Medical Center physician.

## Automatic Pharmacy Refills & Delivery

Please contact your Key Largo pharmacy and update the instructions for your automatically refilled prescriptions that are picked up by Public Safety. Once picked up by Public Safety they cannot be returned or refilled by another pharmacy. This could leave you in a dilemma, especially when it's a critically needed medication. The Medical Center can support your off-season prescription needs by electronic communication with your preferred pharmacy.

## Check for Expired Medications to Dispose

Solid dose over the counter

medications such as tablets and capsules appear to be the most stable past their expiration date. However, medications can and do change in potency depending on heat, light and humidity factors.

Expired prescriptions that contain preservatives, such as ophthalmic (eye) drops, may be unsafe past their expiration date. The outdated preservatives may allow

bacterial growth in the solution. It's a good practice to check the expiration dates on all medications and properly dispose of those past their prime.

Many medications are not good for the environment and shouldn't be

flushed into the sewage system. Sedatives or other narcotic type medications should not be thrown into the trash unless they are crushed or dissolved and mixed into something unpalatable – like coffee grounds. You can also drop them at the Medical Center or Public Safety's drop box for proper disposal.

Visit us on the web at [www.mcor.org](http://www.mcor.org).

## VISITING SPECIALIST SCHEDULE

Please bring your identification and insurance cards to each visiting specialist appointment. They bill separately from the Medical Center. To schedule with a visiting dermatologist, please call their office directly. For all other specialists, please call 305-367-6702.

# Chapel Women Connect Celebrates 1950's Style

By Sheryl Strode

The Chapel Women Connect (CWC) had an exciting, fun filled event on Tuesday, April 26th. It was a Happy Days 1950's theme with over 60 women attending. From the moment you entered through the diner entrance, you could have your picture in a pink Cadillac or hula hoop, or hopscotch your way through the party.

Our familiar soda jerks served Coke floats and root beer floats to all the ladies.

The tables were decorated with all our favorite things from the 50s! There were Jack's, pick up sticks, wax Coke bottles with flavoring in them, Slinky's, popcorn and let's not forget Mr. Potato Head.

**Phyllis Gorson** won the "know your friends bingo game". One question on the card was who at Ocean Reef is an original New York City Rockette? (Answer: **Marlene Boll**)

**Lori Cilley** won the best costume as sister Cilley. Needless to say she and Bob Henley had a little fun with her costume.

**Carol Cameron** won a prize for wearing her original 1950s TWA flight attendant uniform. Amazing that it still fit her!

Our 50s music was by Reggae Ronnie and boy did he rock! Fun was had by all and it was definitely a great way to end the season.

As we approach next season we would love to reach out and invite anyone who would like to be involved with Chapel Women Connect (CWC) and come to our future events, to please take a moment and email us. Send your name, phone number and email address to [WCW@oceanreefchapel.org](mailto:WCW@oceanreefchapel.org)

Jacque Cardone, Paige Hutsell, Sheryl Strode, Bobbie Watson and Heather Barbieri.

Nicole Blackburn crowns Carol Cameron with a special award for wearing her original flight attendant's suit from the 1950s.

There will be many more fun times to come and we would love for any and all of you to join us. Our Ocean Reef sisterhood is a wonderful blessing. Have a fabulous summer!

## MEMORIAL SERVICE

# Thomas Dale Bell

Saturday, May 14

Please join family and friends for a brunch in memory of Tom Bell on Saturday, May 14 at 11 a.m. in the Sailfish Room at Carysfort Hall.

# Two Years...& Counting... Coming to the End!

by Rev. Dr.  
Bob Henley

If there is one word in the English language that may universally be everyone's least favorite word, I would nominate the word, 'waiting.' We are a community of 'get it done' people, and having to wait is generally not in our nature. But as we all know, waiting in many instances is a non-negotiable part of life.

For the past two years, we have been waiting for the New Chapel and Fellowship Center at Ocean Reef to be complete. Just take a close look at the photo in the article. You'll see the familiar faces of the leadership of the Chapel Foundation Board and the leadership team overseeing the construction of the new Chapel and Fellowship Center. They symbolically 'turned the shovel' and broke ground to start construction on May 13, 2020.

## New Chapel Opening This Sunday...Maybe

Now, almost two years later, to the date, we are hoping to have our first worship service in the new chapel, this Sunday, May 8th. I say hoping, because we will find out if we will receive a temporary Certificate of Occupancy later this week. Please check the chapel website at [orcchapel.org](http://orcchapel.org). There will be an email blast sent out on Friday as well.

If we receive the temporary Certificate of Occupancy, the Protestant Congregation will have its first worship service

The Chapel Foundation Board and the leadership team breaks ground on May 13, 2020.

this Sunday, May 8th, at 10:00 AM, and the Catholic Congregation will celebrate their first Mass at 12:00 Noon. Otherwise, we will have our worship services in the Lobby of the Cultural Center.

## Important Parking Information

If we are able to have our worship services in the New Chapel, please carefully read the following information about parking.

### • Please note – there is **no entry into the South Parking Lot from Ocean Reef Drive.**

You must enter from Island Drive and exit only onto Ocean Reef Drive.

• If you are able, we encourage you to park in the Business Center parking lot, across the street, and walk to the New Chapel.

• You can drop off at the South Island Drive entrance to the Chapel, and then park.

• The South Island Drive entrance is a level entrance with no stairs.

• There is a Drop-off cutout on the Ocean Reef Entrance to the Chapel. This entrance involves several steps.

• There is parking for golf carts in the South parking area.

• The only cars permitted to park in the South parking are those with appropriate handicapped decals.

## John & Marlene Boll Chapel Garden Dedication

**Sunday, May 8**

This Sunday, at 11:15 AM, we will dedicate The John and Marlene Boll Chapel Garden at or outside of the new Chapel and Fellowship Center at Ocean Reef. The Bolls were the first to make a major gift for the new chapel. John Boll has also served as the honorary chair of the Capital Campaign Committee. We are pleased to honor and thank them for this gift to the community. The Chapel Garden is at the rear of the chapel. This wonderful garden will provide a generous public space for congregational gatherings and a peaceful place for quiet personal reflection. Coffee, tea and light refreshments will be served. We hope you can join us.

# Yellow Ribbon Fund Helps Wounded Service Members & Their Families find Respite at Ocean Reef

There truly is No Grief at The Reef!

In early April, Yellow Ribbon Fund, which helps American service men and women injured during active service, hosted 15 military families at Ocean Reef Club. These deserving families participated in a 5-day wellness retreat filled with family bonding, adventure, and fun. Although the 15 families began the week as strangers, their common links - service and sacrifice - found them leaving as friends.

*Great interaction and team-building events; my favorite takeaway was meeting other families and spending quality and uninterrupted time with our family. No stress of cooking or planning a meal, no chores or daily household issues to deal with... it was TRULY the most relaxing experience of my life! – YRF recipient*

We are incredibly grateful for our friends at Ocean Reef Club.

Last month, families from the Yellow Ribbon Fund visited Ocean Reef on a five-day wellness retreat filled with fun activities, relaxation and family bonding.

The lasting benefit to these families is invaluable in that it helped foster the building blocks of successful family life, such as coping mechanisms and wellness solutions. Simply by helping them relax and bond in a stress-free environment. The Reef is unique in that it offers a healthy balance of physical activities and respite that promotes the family's physical and emotional well-being away from the outside world's distractions.

*It was nice to be someplace where my husband was relaxed, away from work, and not dealing with extreme stress. It was great to finally see my husband enjoying himself doing fun things with the kids and me. – YRF recipient*

Many military families have spent time apart due to war or injury. Research shows that the quality of time spent with family is key to recovery. Just as family-centered care

improves outcomes for service members and their families, an overall increase in quality family time is associated with a positive marital relationship. In addition to family time, we also recognize that increased peer-to-peer support is wholly essential for a family's overall well-being. The Reef provides an environment that encourages family interaction. The result is that these families build a more extensive peer support network,

and their children meet other children who share similar family circumstances.

*AMAZING IMPACT! Being around other military kids was nice since we moved away from TN. They made new friends and got to experience things we would never be able to provide. And they had our undivided attention. – YRF recipient*

We cannot thank our Friends at Ocean Reef enough. This retreat would not be possible without them!

Gold Diggers  
With Six Legs!

"Nature Notes"  
by Nancy  
Zakon

My husband said this sounded like three dates during his bachelor days. That aside, these Golden Digger Wasps are nice – they don't sting, their tunnels aerate your yard, and they dine on underground lawn pests like Green June Beetle larva. You've probably seen them – flying in dizzying circles close to the ground. With habitat ranging from Canada to South America, digger wasps no doubt visited you, even up north. Here's what makes them unique. They are solitary – yes. Unlike their gregarious paper wasp cousins, digger wasps do not colonize, and do not build "nests" as we know them. Instead, the females in May-August dig many tunnels 3- 15 inches down in dry soil where they lay just one egg each. Because the egg needs food, mama wasp paralyzes one of your lawn pests, and drags it down the tunnel for baby. (Note: horror show alert: the pest is not dead, so baby has fresh bug to eat while growing.) What do mom and dad eat? (Bambi alert: they only eat nectar from nearby flowers,

helping to pollinate as they go.) And mom expires after her eggs are laid. The egg hatches two weeks later as an adult digger wasp, to mate and begin the life cycle anew, living for 1-2 months. Digger wasps return to the same area year after year. One note on the "not stinging" wasps. The males do not have stingers. The ladies are shy and would rather avoid conflict, as usual, but will sting if grabbed, as usual. If you have children playing in your yard - maybe digging in sand, be on the lookout for digger wasps. They like open, sunny areas of dry soil or sand. You'll recognize holes about ¼ inch wide, and digger wasps flying nearby in rapid circles just above the ground. (Size is ½-1 inch long, perhaps bluish tint to their wings.) And if you see them on golf courses (sand traps?), you can easily walk through them. They will scatter and regroup when you leave. They are passive insects that just like to mate, eat, and dig! "You dig it?"!

# Calling All Hodophiles

(aka people who love  
to travel)

"Dot.calm"  
by Jane  
Silverman

Well, it's about that time again at Ocean Reef when bags are packed, cars loaded, flights booked, hurricane shutters downed for the season, and summer travels planned.

Goodbye Ocean Reef (for now) and Hello World! I love to travel and blame my wanderlust on my parents. Growing up, they had a large map of the world covered with colorful push pins from their travels. My father would look at a corner of the map and proclaim,

"We need push pins here!" And off they would go.

I was always impressed that they would send their luggage ahead (often with mixed success in the dark days of the '80s). They would have liked the premium luggage service,

[www.luggagefree.com](http://www.luggagefree.com) (or its competitor [www.sherpr.com](http://www.sherpr.com)), which offers door-to-door reasonably priced shipping for domestic and international luggage delivery. Pack your bag, bike, golf clubs, or skis and they will do the rest with guaranteed on-time white glove pick-up and delivery to homes, hotels, and even cruise lines with 24-hour bespoke customer service. Nice!

## Queue & A:

Unless you are flying private, the rest of us average-Joes at some point or other will have to queue through security. It seems most everybody has **TSA precheck** security screening used at 200 airports and 81 airlines (register here: [www.tsa.gov/tsa-precheck](http://www.tsa.gov/tsa-precheck)) but I am a big fan of Clear ([www.Clearme.com](http://www.Clearme.com)) which has personal escorts to speed you through security lines with a biometric tap of your finger or blink of your eye at their dedicated kiosks. Clear can be found at airports in 35+ cities nationwide and brings you

right to the front of the TSA Precheck security line.

For fellow international jet-setters, the Department of Homeland Security's **Global Entry Card** is a must: skip the long immigration lines and use the Global Entry Kiosk at 75 international airports. It is remarkably quick and easy to use; sign-up and schedule an enrollment appointment at <https://tsp.cbp.dhs.gov>.

Just three months ago, the US Customs and Border Protection launched its new dedicated Mobile Passport Control (MPC) app (<https://mobilepassport.us>) which helps Americans and Canadians speed through lengthy immigration lines at dedicated CBP MPC lanes at 33+ US international airports and seaports. This new version is now the official app of the US Department of Homeland Security and makes international travel a snap.

## Joan the Shopper

### Ode to Mother's Day....

Since I haven't made much progress in establishing a "Joan the Shopper Day", I am going to unofficially adopt Mother's Day as my holiday. Hey, I'm a mother. I have two wonderful sons (one is visiting me this weekend, while his wife, the mother of their children, is visiting her mother in North Florida.).... I'm very fond of receiving gifts, but I have told my son to hold off and come with me on Saturday (5/7) for some serious shopping at Ocean Reef's interesting and diverse stores. I'm sure he will find one perfect thing (maybe even a bargain) for me. And I'll probably find an additional two or three things to remind me of my special day.... You don't have to be a mother to enjoy this opportune shopping spree. In the Fishing Village (11 am to 3 pm) there will be music and mimosas. And there will, of course, be special treats and bargains at many of our favorite FV stores, as well as at venues all around

The Reef. Both the **Burgee Shop** in the Fishing Village and the **Gift Shop** (next to the Inn) are giving \$25 off on a \$100 purchase. The **Spa** at the Fitness Center is offering upgrades and the **Golf Shop** has a whopping 30% discount on all ladies' apparel.... The photograph that appears here (in case you are wondering) is definitely not me. It's Ann Maria Reeves Jarvis, a social activist during the Civil War era. Her daughter Anna Jarvis came up with the idea of a day to honor her mother and all the other moms, who make sacrifices for their kids.... On May 9, 1914, Woodrow Wilson made Mother Day's official.

# Patchology DIY Mini Beauty Treatments

By Jill Barron & Michelle Santiago

We love all Patchology products and they make great Mother's Day gifts! Patchology makes beauty and self-care at home possible with their variety of "patch" technologies. If you love to do some beauty and self-care treatments at home, Patchology offers great minis that can help you do that!

Patchology was founded over 10 years ago and created with ingredients you can feel good about using on your skin. You can choose from an array of products including: lips gels, eye gels, hand and feet masks, and more. The great thing about their technology is that the mini treatments they offer allow you to pamper yourself for as little as five min or as long as your heart desires.

This Poshpeel, plus several other Patchology products, are available in The Spa just in time for Mother's Day!

## Some of our favorites include:

**Hydrating Lip Gels:** Say goodbye to dry lips! This lip gel quickly moisturizes your lips with hyaluronic acid, green tea and peptides. Peptides and green tea extract soothe and provide protective antioxidants.

**Moodmask:** If you do not have time for a full facial but your skin is craving moisture, this sheet mask has your back. It is packed with hyaluronic acid, honey, Hijiki algae and prickly pear. It also aids in balancing your natural H2O levels to make your skin feel refreshed and hydrated.

## Hero Status™ Roll

**Model™ Smoothing Roll-On Eye Serum** – This great eye serum comes in a yellow jade roller ball container and is filled with Peptides. Soaked in anti-aging actives, a simple sweep of the Yellow Jade rollerball will offer instant cooling, as Peptides and Niacinamide smooth. Meanwhile, newcomer Bakuchiol (THE plant-based retinol alternative) will tone to perfection and antioxidants Blueberry and Acai Extracts will block environmental stressors.

**Little Helper Sleep Supplement Strips** - Tossing and turning night after night? These honey-flavored supplement strips are just what you need. Infused with dream-inducing Melatonin, calming Chamomile, and caffeine-fighting Theanine, they'll lull you to sleep as soon as you hit the sheets without feeling groggy the next day.

**Perfect Ten** - A self-warming hand and cuticle mask with macadamia oil, shea butter and rosehip oil. Shea butter

promotes healthy cell turnover and rosehip oil assists in skin elasticity. This deeply moisturizing mask locks in your natural body heat and gently rises. The rich butters and oils work together in these toasty gloves to bring your dry hands back to life!

**Best Foot Forward** - A softening foot and heel mask with Shea Butter, coconut oil and Japanese cypress. This mask uses the same technology as space blankets and contains natural skin conditioners to restore your feet in only ten minutes!

**Poshpeel** - A sixty-minute foot treatment to remove dead skin. It contains a blend of botanical extracts, glycolic, salicylic, lactic and citric acid to exfoliate and eliminate rough feet. Your feet will feel softer and brighter!

Pick up a patch today at the ORC Salon & Spa! You can throw them in your bag or save them for a spa day at home.

INSIDE THIS ISSUE

## Pickleball US Open

by Justin Romero,  
Head of  
Racquet  
Sports

Every year at the end of April, Naples, Florida hosts the largest pickleball tournament in the world. Some will say it's the biggest pickleball party in the world as well. But it's more. The Pickleball US Open isn't just another pickleball event, it's a pickleball experience. The energy, the spirit of the community, the pure joy and fun are unlike anything you'll find at an ordinary (non-Ocean Reef) tournament. This year, Ocean Reef Club boasted over 25 Member participants that took their talents to East Naples Community Park. Our Members showcased the hard work that they put in over the year by taking lessons, clinics, and daily recreation and competitive play. Our Members did not disappoint.

We know that living at Ocean Reef Club is a Unique Way of Life. So we decided to take our unique way and transport

Sue Shuldman & Bonny Gothier - GOLD 3.0 ladies 50+, Joannie Rich and Deb Becker - SILVER 3.0 ladies 50+, and Anne Marie Peretz and Lina Bey - SILVER 3.5 ladies 50+.

it to Naples, FL where we had two Ocean Reef logoed tents, chairs, tables, food, drinks, and more. The icing on the cake was sending our Head Pickleball Pro Kevin Girard to man the fort and coach our players. Whatever he said paid off, because we had an all ORC women's final.

Congratulations to **Bonny Gothier** and **Sue Shuldman** on winning the gold medal only to oust their good friend **Joannie Rich** and her partner in the finals. Another big win came from **Anne Marie Peretz** and **Lina Bey** taking home the silver medal in their respective division. Congratulations ladies! Way to represent ORC! On the Men's side, Member **Ron**

Cathy Ryon, Bart Schuldman, Rob Gothier and Ray Larkin.

**Roscia** represented and took home the gold medal in the singles division. Congrats Ron!

For some of you, we know you are headed back to your summer club so we wanted to wish you farewell and thank you for a tremendous

record-breaking season. We cannot wait to welcome you back. For those that are sticking around, keep a lookout for daily Open Play that will move to the mornings as well as our Adult, Kids, and Tween Pickleball Camps and clinics that will start in June.

# Ending a Season & Looking Ahead to Summer

"Tennis Shorts" by Jim Morton, Director of Tennis

The Tennis & Games Center had its last event of the "winter" season last week. The End of Season Round Robin took place on Tuesday, April 26th, and even with many players already on their way back to their northern residences, we still ended up with 14 players playing in the mixed doubles tennis round robin.

Taking first place in the event was **Sindee Furshman** and **Nick Davies** with second place going to **Shelia Scalia**

and **Bill Dixon**.

After play, a great cocktail party was provided by Ocean Reef Catering to celebrate the end of another fantastic season!

## Men's "B" Night League

Men's Night Tennis, which takes place each Monday from 5:30-7:00pm, even over the summer, had a small but strong group of players this past week. Taking first place for the night was **Victor Benoit**, while Richard Weinstein finished a close second.

If you are here during the summer months,, be sure to let Justin Romero and the Staff

at the Tennis & Games Center know so that they can include you in on the games!

## New Summer Schedule

The new summer schedule will start this Saturday at the Tennis & Games Center. Contact the Tennis & Games Center Pro Shop to get a copy of the schedule. Remember, weekends are busiest at this time of year so be sure to reserve your place in any of our cardio clinics to assure you will be able to participate in our fun and competitive exercise tennis clinics!

Bridge games will continue through May. Depending on participation here, I may move to the Online Games in June like last year. The idea is that you will have Duplicate Bridge available on a year-round basis.

## 2022-2023 Calendar

I will start putting my calendar together for the 22-23 season. Please let me know your thoughts on what you would like to see and how I can make it better. Your input is very important to me. I will have lots of events for your enjoyment,

but your participation in them is what makes them work.

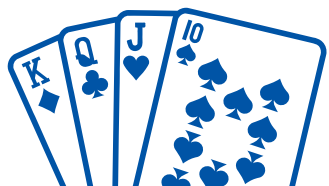

## Mah Jongg & Backgammon

I am seeing more Mah Jongg players as well as Backgammon players. I will put together a program for both next season. Please call me with ideas – 305-367-6609.
