Cheers to a New Dining Season

Season is here, Members are returning home, and Associates in the Ocean Reef Club restaurants have been working hard in preparation for opening days. This year, as you've already heard through various Club communications about dining policy changes, the offerings and hours of operation are expanded more than ever to provide all Members a greater chance to enjoy dining opportunities at the Club.

So far, the Club has already celebrated the October opening of CH Lounge and Raw Bar nightly dinner, the opening of Reef Lounge seven days a week and Ocean Room five nights a week on November 8, and CH Prime and daily Grill Room lunch opening on November 9. Member feedback thus far has demonstrated that, not only are Members excited to return to their favorite dining spots at the Club, they're also enjoying the new offerings recently debuted, like the addition of small plates at CH Lounge and sushi added to the Ocean Room menu.

Thankfully, there is still much more to enjoy over the

Rules Reminder at Your Club

The "Two Visit Rule"

A longstanding rule set in place to ensure membership in Ocean Reef Club would always be a privilege, is the "Two Visit Rule." Below is the explanation as written in the Club's Rules & Regulations.

1.No person, other than a house guest, or child of a Club member, as set forth herein in the sections entitled "Guests" and "Children," shall be permitted to visit the Club more than two times in any five year period, with each visit to be limited to a maximum of 14 days, without becoming a member of the Club. This shall be known as the "two visit rule."

2.The two visit rule will apply to guests staying in rooms at the Inn, other than sponsored

group attendees, as well as to boat owners using the Club's marina.

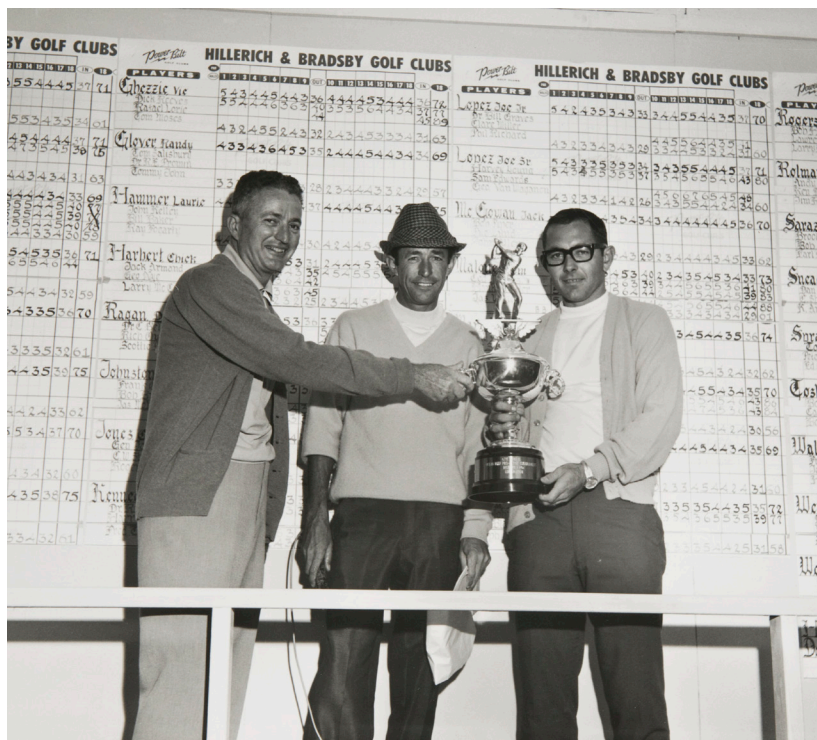

3.The two visit rule will apply to those clubs granted reciprocity or other affiliation with the Club.

When the two visit rule applies to boats and yachts, the owner of the vessel will be registered as the visitor. All guests on board the vessel will also be registered as guests of the Club if operationally feasible to do so.

As a reminder, sponsoring members are responsible for the conduct of their guests. If the manner, deportment or appearance of any guests is deemed to be unsatisfactory, the sponsoring member shall, at the request of the Club cause such guests to leave the Club.

For the full set of Rules & Regulations, please visit oceanreef.com/rules.

MAKING HISTORY

It is said that golf was brought to Ocean Reef for the days when it was too windy to fish. The first 9-hole golf course opened in 1955 and Hole #14 of the Dolphin Course is the original first hole. In 1960, the first Clubhouse opened in the remodeled home of Ocean Reef's original owners, the Bakers, and the Club's first director of golf, Bob Toski was hired (pictured center).

This week, the Club's Member-Guest Golf Tournament celebrates it's 50th year.

Equity Get Togethers: A Hit!

by Jody Steele

The Member Events team proved to be even more amazing over the last six months with their planning of over a dozen special complimentary activities for Equity Members at The Reef. Madison Vernon, Member Events Coordinator, shared the highlights of just some of them.

Beginning way back at the end of April, the first event was an "Outdoor Movie Social" followed by a "Salsa Night" in May where Members really improved their dancing skills with two great teachers. We looked so good, that the teachers are returning to teach us additional moves. Madison explained the events as being twofold; Wednesdays are planned for an interactive activity and Fridays are for socializing. Both types give Members the opportunity to discover which neighbors are on The Reef. Of course, this opens up connections for Equity Members to "mix and mingle".

The Team was impressed by

Jennifer and Kathryn Leonard at Wreath Decorating

the attendance at "The Picnic in the Field" in June and the "Luau" in August on the Beach, both beautiful evenings with over 100 Members attending. Two other hands-on afternoon events that were also well received were a "Sushi Cooking Class" with Chef Betania and an "Orchid Class" with Michael Coronado from R. F. Orchids. The Get Togethers schedule finished up with a fun "Fall/Halloween Wreath Decorating" party where Members were proud to take home their holiday creations.

Kudos to Kyle Landers, Director of Member Events and Services, and his team of Madison, Samantha, Livan, and Austin for their enthusiasm and ingenuity in designing all of these creative activities.

Mark your calendars for future Get Togethers, including an "Afternoon Tea", a "Dueling Pianos Social", and a "Mixology Class", just to name a few for upcoming Equity events beginning in December.

Welcome back

Leaving winter's snow and ice behind was one smart decision. While you're here, it's comforting to know you haven't left world-class healthcare behind. We're here whenever you need us.

All of us at Baptist Health wish you an amazing season in the sun. Enjoy every moment.

Baptist Health

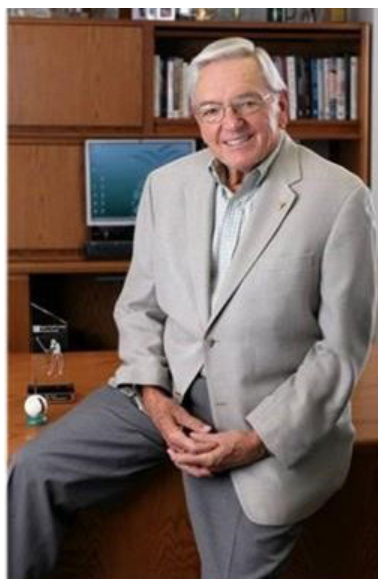

We Mourn the Loss

Bob Baal

Robert G. (Bob) Baal, longtime Baptist Health Ambassador to Ocean Reef and the Medical Center, passed away after a brief illness on November 3, 2022.

Bob and his wife of 61 years, Ruth, first came to The Reef in the mid-eighties and became official Members at the buyout in 1992. They have lived at Pumpkin Key, Diana Road and, most recently, the Residence Club.

It was in 1992 that Bob transitioned from Board Chairman of Baptist Health Foundation to its Chief Executive Officer, a position he held until 2009. Working closely with The Reef leadership, and, in particular, Tom Davidson, they established the Ocean Reef/Baptist Health Advisory Board, and

the Ad Hoc Committee on Philanthropy.

Through these channels, the Ocean Reef membership provided critical support for such projects as the first Ocean Reef big philanthropic, initiative helping fund, the new Homestead Hospital building, as well as the Emergency Evacuation Helipad, the MCVI Stroke Center, and the Miami Cancer Institute, all on the

Baptist Hospital campus. In addition, there are nearly 500 Baptist Health Giving Society members at Ocean Reef. Bob was deeply involved in all these endeavors.

Bob was born in New York City to Louise (Beisler) and Robert A. Baal, in 1928. He was educated at Concordia Prep in Bronxville, New York and earned his Bachelor's degree at Bates College in Maine. From 1950 to 1952, he served in the Army Security Agency, now NSA. He started his business career in broadcasting working for CBS, NBC, ABC and Westinghouse as a broadcast time sales executive. In 1970 Bob and Ruth and their three children moved from Greenwich, Connecticut to Miami, Florida, where Bob became National Sales Manager at WTVJ/Channel 4.

In 1972, Bob transitioned to commercial real estate, eventually forming the Baal Realty Group. This led to his longtime involvement with the

Baptist Health Foundation. It also brought him to WPBT/Channel 2, public television in South Florida. He joined that board in 1979, chaired their Executive Committee and was their Board Chairman in 1984/1985. In 2014, he received WPBT's Lifetime Service Award.

Bob and Ruth have three children: Robin (Panethere), Bob Jr., and Perri (Yearwood); and eight grandchildren: Luke Yearwood, Kyla Baal, Drew Panethere, Olivia Yearwood, Alexa Baal, Katherine and Lindsay Panethere, and Kohl Yearwood. All have experienced many wonderful occasions while visiting Bob and Ruth at The Reef.

Bob led a full life and leaves behind a legacy of great memories, true friends, and a loving wife and family. Our community, and the world, has lost another good one.

Member since 1993.

What Can We Ever Say to You?

by Rev. Dr.
Bob Henley

The young man across the table from me was severely disfigured. He had extensive facial burns, no nose, and no hair. Parts of his hands were missing. He was in his early twenties. He was a Marine. He suffered his wounds serving our country in the war on terror.

Our church in Ketchum, Idaho was hosting an event for a local organization, Higher Ground. Twice each year, once in the summer and once in the winter, Higher Ground brings wounded vets and their spouses to the Sun Valley area. Support from the community funds the entire cost of these annual two-week trips.

In winter, you can see vets schussing down the slopes of Baldy, Sun Valley's local

mountain. Some are on skis, and others on adaptive ski equipment. They're having a ball. In the summers, they spread out across the local streams and ponds in pursuit of trout with a fly rod.

That night, I looked at that young Marine and asked, "What can we ever say to you that is adequate to recognize what you have endured in service to our country?" His sharp eyes met mine. "Try thank you," he said, with no edge of bitterness or self-pity in his voice.

I have often thought about that exchange, and especially his answer to my question. It has prompted reflection about all those twenty-somethings who have served our nation faithfully through and beyond the more than seven decades I've been alive.

My dad was one of those in World War II. He was a radarman on board a destroyer, the USS Mullany. He was a 'plank holder,' an original crew member who took it out on the first sea trials. He narrowly missed being killed when a kamikaze took out the forward gun turret in the fighting off Okinawa. He suffered no

outward visible wounds. But like many from that era, he was never able to talk about the emotional scars he suffered from the horror he witnessed in the aftermath of the attack. Thirty-one of his friends were killed, and eighteen never accounted for.

This summer, I conducted the memorial service for Miner Harkness. Miner was our neighbor in Sun Valley. He and his wife Sarah became great friends. For many years, he headed the Sierra Madre Search and Rescue organization in Southern California. He proudly served in the Army in Korea, fighting in some of the bloodiest battles in brutal, winter conditions. My favorite picture of Miner is of his smiling face, wearing his ever-present Korean Vet ball cap.

During the Vietnam War, the vets who served honorably were treated like pariah on their return home. One whom I was privileged to know was Gerald 'Jerry' Coffee. He flew the reconnaissance mission over Cuba that discovered the Russian missiles. It was a Russian missile that destroyed his jet flying over

North Vietnam. He was one of those who spent more than seven years in what was euphemistically known as the 'Hanoi Hilton.' He tells the story in his book, "Beyond Survival."

Years ago, a member of my staff was a Marine Recon captain in Vietnam. His missions boggled my mind. What I will never forget him telling me was, "Bob, I'll never have an experience of comradery like that I experienced in the war."

Maybe you're like me. I've never served in the military. Our children were born at a time when none of the three were called to serve. But like me, each of them and their children owe a debt of gratitude to those who have. We all do.

What can we say to them on this Veterans Day Weekend? Try, "thank you." We're going to do that this Sunday, in the worship service of the Protestant Congregation at 9 a.m. in the Chapel and Fellowship Center at Ocean Reef. Come and join us as we say "thank you" together, to them, and to God for them.

BUILDING PROGRAMS AT OCEAN REEF THAT ADDRESS MEMORY ISSUES

When we arrive and pass through the gate, we enter a tropical paradise. Our Club offers a wide selection of social, recreational and dining options.

The ForgetMeNots and the Medical Center, however, have a concern. Are we as a community extending to those who suffer memory loss sufficient opportunity and support?

We would like to identify those Members who have loved ones with memory issues and explore what actions can be taken at Ocean Reef to improve the quality of life for both the patients and their caregivers. Volunteers are welcome to register.

If you are interested in such a program, please visit the Ocean Reef Medical website and click on to the Memory-Corner Link. We seek your input to help us plan activities for the season that will give our loved ones some bright moments in their lives.

THE FARMER'S MARKET IS BACK

New and returning vendors will set up at the Field at Four Corners, giving Members a space to browse, shop and even sit down and enjoy their purchased goods from 11am to 4pm.

First Farmer's Markets of the season:

Monday, Nov. 14 • Monday, Nov. 21 • Monday, Nov. 28

Beginning in December, the Farmer's Market will be set up at the Field at Four Corners every Monday and Thursday through April 2023.

Almost Magic

by Terry
Baxter

After a delightful summer in New Hampshire, fall happened. Winston chased leaves (and squirrels) in the backyard until it got too cold. His score was zero squirrels for seven days straight. The trees were bare. The morning temps were in the low thirties. Time to escape.

Our Apollojets charter left our local airport right on time at 11 o'clock, and like a magic carpet, transformed the gloom into blue skies and 84 degrees. Phil, Winston's dog-biscuit friend from the Bell Stand, collected us at the Ocean Reef Airport and muscled our

baggage into 121's waiting arms. Home again in only three hours. Yikes.

We needed no persuading to postpone our unpacking. The golf cart was clean and fully charged thanks to the summer service from Cart Repair. We joined our friends **Drew** and **Penny Cunningham** to try the new small plates at CH Lounge. Brit welcomed us on the piano. Walter started pouring our favorite drinks as we walked in, and a bevy of new servers were eager and well trained.

It would be an insult to call the new offerings "bar food." The menu was stunning -- an extensive Caviar service, a Raw Baw selection of Oysters, Steak Tartar, even a CH Seafood Tower. The selection of Hors D'oeuvres (4 pieces per order) included Caesar Salad Bites, Crispy Shrimp Toast, Chorizo Stuffed Dates, and unique Deviled Eggs.

The more substantial "To

Share" section offered Crudite, (Giant!) Prawn Cocktail, Truffle Fries, Crispy Chicken Lollipops, Charcuterie and/or Cheese Tray, Foie Gras Pate with toasted brioche, and Maple Bacon Sliders. Even with four of us we couldn't try it all, but what we tasted (and passed

around) was spectacular.

Tropical breezes, soothing music, great drinks, and a gathering of friends as the lounge filled up. In the space of a few hours, Ocean Reef wrapped us in its intoxicating spell. Yes, almost magic.

NEWS FROM THE MEDICAL CENTER

Introducing Dr. Manuel Torres

Long-time Ocean Reef residents may recognize the name of Manuel Torres. The Medical Center is very pleased to announce the addition of board-certified primary care physician Manuel Torres, M.D., to their excellent staff of providers.

Dr. Torres is the son of Dr. Manny Torres, anesthesiologist, who for many years was a familiar face at Ocean Reef. A Member since 1983, he was affectionately nicknamed the "mayor of Ocean Reef" and was known for his low-key demeanor and delightful culinary treats of guava pastelitos. He loved to spend time at Ocean Reef with his wife, children and grandchildren, golfing and

deep-sea fishing on his 48-foot yacht.

A member of the "Blue Coat Society at Ocean Reef", Dr. Torres would tell the story of "Ocean Reef's unique way of life" during new Member gatherings and wisely advise, "I am the past, you are the future...I want to preserve this for my children."

History repeats itself with son Manuel (Manny) Torres, M.D., who states, "To continue

the family legacy of being a part of the ORC community, and especially as a physician, is a gift and an opportunity. I have such special memories of Ocean Reef during my childhood and am fortunate that my wife, Giulia, and our 4 children have been able to spend time at Ocean Reef as Legacy Members." The Torres' oldest child is 21 and their youngest son Francesco is 5. Francesco has many challenges as an autistic child born with Hypothalamic Hamartomas, an extremely rare disorder (300 nationwide) characterized by non-malignant brain tumor and epilepsy. The Torres' are actively involved with the organization "Epilepsy Alliance Florida", with a personal goal of helping other families faced with this challenge.

Dr. Torres has over 20 years

of primary care experience and was instrumental in evolving Baptist Hospital's primary care practice. Dr. Torres states, "I enjoy the aspect of building relationships with my patients and working with them to develop preventative strategies. The actions that are taken now will build on preserving and improving health years later. During my career, I have built solid relationships with South Florida's medical community and hospitals and while my time at Baptist was a wonderful experience, I am looking forward and feel very fortunate to be joining the Medical Center."

Dr. Torres will begin seeing primary care patients this November 21st.

Hello, Neighbor

by Mary Brady

The **Massey Family**, originally from Arlington, Virginia, found their way to Ocean Reef in 2020. At the time, Tyler, 44, and Jennie, 43, had two sons: Jack, 9, and Wynn, 8.

Tyler works in investment banking as a Senior Vice President and Financial Advisor. Prior to coming to Ocean Reef, they frequently vacationed in Islamorada, staying at the Cheeca Lodge. One day, they decided to approach the gate at Ocean Reef and asked to come in. They were put directly in touch with Chelsea Prince in Membership, who gave them a tour of The Reef. Tyler and Jennie fell in love with The Reef, and immediately applied for Social Membership, which had a 2-year waitlist at the time.

Back in Arlington, COVID hit, and the young boys started Zoom classes daily. Needless to say, their parents were going crazy locked up

The Massey Family

with two active boys learning electronically, and with really no outlets. When the Keys opened up again later in 2020, the Masseys decided to rent a place on The Reef. They visited Headmaster Jerome Murphy and toured The Academy. Deciding that it was the best way to educate their boys with brilliant, in-person teachers, they went on a hunt to purchase a condo.

Moving from a 7,000 square foot house in Virginia to a 1,200 square foot condo was no easy feat. It also required a great leap of faith. Cleaning out his large house, Tyler said there were so many old toys and extra stuff that they purged in order to make the move. It was over abundance

to minimalistic, but it felt so good. Quite often, he said, "We get bogged down with material things, we lose sight of what really matters."

The transition of the kids to The Academy was an amazing experience. Anything compared to Zoom would be an improvement, but The Academy and the staff made it seamless. Access to the teachers and small class size was great for the boys.

Both Tyler and Jennie work virtually from home. Jennie works for an e-commerce company and they both travel about once a month.

The Masseys make their children's education a priority. The Academy was a primary reason for the move. Aside

from the excellent teachers, Jerome Murphy was an instrumental and motivating force in the decision. Jack and Wynn have made lots of new friends, and really flourished in their new school.

Jennie and Tyler have formed very close friendships with other parents at The Academy. Because the boys are very active in soccer, they often go to Founders Park in Islamorada to watch their sons play while overlooking the ocean, and enjoy eating at the many local restaurants along the way.

Tyler said, "We do not miss the two hour traffic jams that we experienced in Arlington. My all time, favorite time here on The Reef is taking my boys to school in a golf cart. Recently, we bought a 3,500 square foot house near The Academy on South Harbor Drive. My first friend, **Jay Guarch**, said to me, 'Tyler, you have brought the median age of the Club down 20 years.' A large number of Members have gotten younger, especially due to The Academy."

The Massey clan is a welcome addition to our Ocean Reef family. Many young families have come to the same conclusion. They aspire to our unique way of life, and learn many life lessons along the way!

KEYS CHILDREN'S FOUNDATION

Proud to Continue the Tradition...

The Keys Children's Foundation began way back in the 1980s when concerned Ocean Reef Club Members realized that our community in the Upper Keys needed our support. A Children's Shelter was opened in Tavernier and volunteers from ORC visited to do whatever they could to help, from rocking babies to preparing meals for the hungry children.

In the 1990s, a group of "Ocean Reef Grandparents" contributed funds and their time to help children and families in need. The Keys Children's Foundation was officially formed in 1995 to formalize financial and volunteer support along with a system to award

Lauren Bush Lauren is the speaker for the Keys Children's Foundation Angel Luncheon on January 23, 2023. She is a philanthropist, entrepreneur, and advocate to combat child hunger globally.

grants through an application process.

To raise money, The Keys Children's Foundation Board

decided to hold an Angel Luncheon with entertainment from the local community and guest speakers that eventually were selected on their leadership in helping children and encouraging others to donate.

This worthy tradition continues today.

The Keys Children's Foundation Board is pleased to announce the Angel Luncheon will be held on Monday, January 23, 2023 at Town Hall. Our speaker, Lauren Bush Lauren, is the Co-Founder and Chair of the Board of the FEED Foundation, a non-profit organization that supports programs to combat world hunger. After traveling with The UN World Food Program as a college student, Lauren was exposed to the reality of hunger that so many families face. She was inspired to help and get involved with finding solutions

to this overwhelming problem.

Through her vision, Lauren designed the first "FEED bag" as a product that is sold to contribute meals by global giving partners to needy children. Since 2007, FEED has provided over 126 million school meals. Lauren B. Lauren routinely speaks on philanthropy, hunger, and poverty as it relates to children. She has received multiple awards and recognition for her dedication to this worldwide issue. You will be impressed with her story.

The KCF Board invites you to join us in January at our Angel Luncheon with our mission to provide grants for at least 20 programs that help children and families in the Upper Keys such as the Children's Shelter, the Jacobs Aquatic Center, and the Coral Shores Food Pantry.

Invitations will be mailed after Thanksgiving.

Art League Welcomes You Back

by Susan Bohan

Whether disappointed or pleased with the results of Election night, Members were thrilled at the Welcome Back/Holiday Show of November 8 and will no doubt revisit often to complete their holiday purchases until it closes December 23.

Federico Carosia's intense light and rich colors are almost photographic in their realistic look. His work is museum quality in their oversized dimension and belong in one of our finest new homes here at The Reef.

Lisa Remeny is another artist

"Island Paradise" by Federico Carosia III

whose work is uniquely personal while at the same time capturing the beauty of the Florida landscape. Whether breathless color or black and white, each piece is memorable.

Linda Brown brought a wide range of her Nantucket baskets and included some fun jewelry which are perfect for holiday gift giving. No one needs to know you did not make it yourself!

Dena Lyons selected a broad range of gifts to please any Member. Scarves made of silk, cashmere, cotton or blends, are ideal for Reef evenings and affordable as well. Her colorful pillows of dogs, cats, flowers and abstracts are fun, vibrant examples of "art meets function".

Artist Susi Trottnow has

perfected a collection of pendants, earrings, ornaments and porcelain items that are both reasonably priced and beautiful examples of Florida's "KeySeaArt".

There are also many of the unique animal ceramic creations by Ardmore from South Africa as well as fabrics and pillows in one-of-a-kind treasures.

Artist and teacher Kathleen Denis has also added a collection of smaller scale paintings depicting parts of Florida we can all recognize and find a special place for.

The Holiday Show remains until December 23, so grab a cart and head over to the Art League to begin (or complete) your shopping. Items range from \$35 to \$92,000 so there is something for everyone's budget!

Reminder: SuperBlue Miami Tickets Available

There are still some tickets available for SuperBlue Miami on Monday, November 21, which is described as a cannot miss experience according to

Silk scarf modeled by Dena Lyons

Executive Director Sherri Harris. "It is one of the most intriguing approaches to immersive art you will ever see. The added environmental message with trees and vines is so powerful. Do not miss this once in a lifetime approach to art to be shared and experienced together."

Remodeling Face Machine Treatment

"Spa Notes"
by Jillian
Barron, The
Spa Director

Last year, The Spa partnered with the well-known luxury and result driven French skincare line Biologique Recherche (BR). If you have tried this line yourself, then you know how crazy amazing it is! It is not the smell good, caviar and gold filled type of skincare, but as soon as you try it, you can see why it is in the luxury category. You can expect the same from their facials as well. They are known for cold pressed products, so there won't be lots of heat, steam, and aromatherapy to this facial. The results of these facials and their skincare products however, will

Biologique Recherche Remodeling Face Machine at The Spa.

leave you begging for more.

We offer multiple Biologique Facials, but one of them is newer to us, and is great to do right before all of the holiday pics you will be taking with family soon. That facial is our Triple Lift 80 min Facial, and it uses the Remodeling Face Machine, which was specifically designed by Biologique using microcurrent technology. The machine combines four types of electric currents to firm, sculpt, and lift the skin! The products used in the treatment are customized to your skin's needs.

Some of the results include widened eyes, softer wrinkles, more defined cheekbones, and a smoother, more youthful appearance overall. In fact, when I had this done, my esthetician did only one half first, to show me the difference. She handed me a mirror, and it was incredible how much younger the completed side looked. I could tell one side looked more "lifted", and asked her to hurry up and match my other side!

When the facial was done, my skin was tight, glowing and I loved the way it looked and felt.

BR has quickly become my main staple line, and it seems to work well with my other products too. To be able to have a non-invasive skincare treatment that delivers the results that BR's Magic Remodeling Face Machine does is great! It gives you red carpet worthy skin without down time. NOTE: This facial is not recommended for anyone who has a pace maker, is pregnant, or has cancer, and you need to make sure you have not used retinols, retinA, tretinoin, Accutane, or any other chemicals, lasers, and peels before having this done.

Call The Spa to schedule or stop by and talk to one of our estheticians! 305-367-6506.

CLUB SHOPPING

Joan the Shopper

Summer in a suitcase... From July to October I lived out of two suitcases, plus a wheeled carry-on bag, a backpack, and a small purse with my iPhone, proof of vaccination, credit card, comb and lipstick.... During the summer I rented at the beach in New Jersey and the mountains of North Carolina. I attended two weddings of grandchildren and on September 7 after a short visit to Rome I spent a lovely week on a cruise of the Mediterranean. Between these jaunts I was ensconced in a trendy hotel in Brooklyn.... Needless to say, packing for these diverse locations was a nightmare. Much of what went into my suitcases could have happily stayed home. So what follows is a list of many of the things I actually wore. (Most items were purchased at Ocean Reef stores and can be easily duplicated with a visit to the Fishing Village.) – **JEANS:** Before I left OR I bought a great pair at *Lilly*. They were lightweight with a little stretch that made them comfortable even on long plane rides. (\$159). – **TOPS:** my favorite was a hot pink "Slub Polo" from *Vineyard Vines*. (\$98.50). – **PANTS:** Absolutely essential were my *J. McLaughlin* pants in their signature Catalina Cloth. I packed a black pair, a white pair and one they described as a "lighthearted print" (\$168) – **DRESSES:** I took a couple of dresses but

the one I wore most came from the *Burgee Shop*. It's a little blue and white striped cotton number. A happy dress- I think of it as a "grown-up" tee. (*HiHo* \$98). – **BACKPACK:** I looked everywhere for a lightweight tote that doubles as a backpack. I found the perfect one at the *Fitness Center* boutique on the 3rd floor. This bag held everything I couldn't fit in my suitcases but it is not bulky and the straps are not so prominent that it can't be carried as a tote. (*lululemon* \$75) – **SWIMSUIT:** I have two from the *Dive Shop*. They are tank style. One has dolphins, the other has sharks (\$100). – **SLEEPWEAR:** The *Spa* boutique at the Fitness Center has a host of beautiful things to sleep or lounge in. I wanted them all. I finally settled on a pair of flowered silk shortie pj's. (\$135). And there is currently a 30% discount so I was guaranteed to sleep tight. (Pun intended) – **LAST WORD:** That's everything! Well, everything I have unpacked so far.

Meet the Team Invitational

"From the Gold Tees" by Michael Leone, Director of Golf

The start of a new season brings back familiar faces, but also brings in new up-and-coming golf professionals to the Golf Staff here at Ocean Reef Club. With such a large staff from over the years, we are lucky to have a huge network of Golf Professionals from across the country. One of our favorite events of the season is the first season opener. The "Meet the Team" Invitational took place this past Friday. Traditionally, this event allows the Membership to meet and greet with our new professionals as they showcase their skills and talents on the course. The Golf Professionals man the tee boxes as the groups come through, placing them in prime position off of the tee.

A total of 27 teams (105 players) came out to meet the 2022-2023 Ocean Reef Club professional staff. It was a blast to showcase the talent of the professionals! Windy conditions on the Hammock

Meet the Team Net Champions Barbara Pearson, Pat Holbrook, Vicki Carr and Cathy Ripich.

Course did not prevent birdies and eagles being made. There were a lot of fantastic scores! Leading the way in the gross division, the team of **Margie Smith, Christine Patton, Kathie Markel, and Steve Markel** shot an impressive 57 – Gross. Falling right behind them was the team of **Andy Timmerman, Dragos Alexe, Tim Prete, and Scott Heffner** with a fantastic score of 58 – Gross.

Our Net Division also played some impressive golf! There were many low scores from the field, but the top teams were able to shoot in the 40's to secure the victory. Winning the Net Division with a score of 46 was **Cathy Ripich, Barbara Pearson, Vicki Carr, and Pat Holbrook!** Coming in second place just a shot behind was the team of **Christine Langley, Diane Petrosino, Shirley Shumway,**

and **Kathi Whitaker** with a net score of 47. Our 3rd place finisher in the Net Division was the team of **Brad Vandenberg, Amy Upjohn, Harold Zeigler, and Bonita Zeigler** with a score of 48.

9 Hole LGA Returns – Least Amount of Putts

For last week's format, we played an individual game where everyone played their own ball throughout the entire round. At the end of the round, we calculated everyone's total amount of putts during the round. There were handful of competitors that had a wonderful day on the Hammock's tricky greens.

We had 15 participants with less than 20 putts, but no one was lower than **Linda Buermann**, who only needed 14 putts to complete her round! **Gail Freed, Tania McCann, and Adelaide**

Jared also had great days on the greens with 15 putts each. Great job!

MGA Opening Day

We could not have asked for better weather to begin the 2022-2023 MGA season! On the Gross side of the competition (led by our Defending Burgee Cup Champion), the team of **Scott Heffner, Joey Rivera, Buzz Hilberg, and Rod Patton** took first place with an impressive -8 score of 63. On the NET side of the competition the team of **Andy Timmerman, Joe Hertzman, Robert Gothier, and Philip Russel** edged out the rest of the field with a -14 round of 57!

LGA Opening Day

What a fantastic turnout we had to kick-off the LGA season on Tuesday! It was wonderful to see all of the smiling faces. A perfect morning greeted 81 participants to compete in the Opening Day Shamble on the Dolphin Course. Even a few showers at the end of the round could not put a damper on the joy felt from everyone from being back at ORC. As we all enjoyed a delicious lunch on the patio of the Clubhouse, the impressive scores were being tallied. It seems as if the ORC LGA members played a lot of golf this summer! See below for results.

Whole-Body EMS (Electro Muscle Stimulation)

Complimentary lecture by Brian Dillman, Miha Bodytec US CEO
Thursday, November 17 at 2 p.m.

Brian Dillman, US CEO of the EMS market leader Miha Bodytec, will explain the benefits of adding Whole-Body Electro Muscle Stimulation (WB-EMS) training to your fitness routine.

WB-EMS training sessions last 20 minutes and deliver the same benefits as two and half hours of conventional strength training, and two and ½ hour of high-intensity training (HIIT). WB-EMS sends impulses to muscles via electrodes on a specially designed training suit. The impulses target and activate all major muscle groups simultaneously — so you're using more of your body's muscles (90+%) than with traditional workouts. At the same time, EMS prompts a complete muscle contraction — so you're using more of the fibers inside each muscle (98%), creating a greater number of muscle contractions.

WB-EMS has been used in Europe since 2007 and it's been proven effective in a vast array of scientific studies. The Mayo Clinic recently released the findings of its 16-week EMS training study (Pilot Randomized Controlled Trial). It concluded that once weekly physical training with WB-EMS, under close supervision, yielded significantly greater improvements in important biomarkers of cardiovascular, metabolic and biomechanical health compared to conventional training alone in healthy subjects.

Then a vest and straps, that contain electrodes, are placed on your muscles. A certified trainer then leads the participant through a series of traditional bodyweight exercises such as squats, crunches, lunges or arm curls.

During the exercises, electro muscular impulses are delivered through the electrodes to the muscles. The intensity of the contractions makes EMS more effective in developing strength, stamina and improving body shape in a shorter time period.

For example: performing squats and biceps curls without EMS activates <10% of the body's muscles. With EMS, 92-98% of the muscles in your body are activated - that's nearly 300 muscles in the body, many of which are hard to activate through conventional exercise.

What the Training Feels Like:

- The impulses, depending on the levels sent to your muscles, range from a tingle, to a tapping, to a pulse along the lines of what a massage chair feels like. None of it is painful.
- The workout is always well within the abilities of the person doing it, but it's still a very challenging training session.
- In the days following an EMS workout, you might experience soreness as you would from any challenging workout session.

Welcome Back to the Tennis & Games Center

"Center Court" by Justin Romero, Director of Racquet Sports

Welcome back Members! We all know that Ocean Reef Club is so unique in every way, and at the Tennis & Games Center, the season has already begun with a couple unique events that we look forward to every year.

These events, we call the "Massociate" tournaments, meaning Member-Associate tournaments in tennis and pickleball. This year, both celebrated their 6th and 2nd annual event respectively. Each tournament comprises of over

25 Members and 25 Tennis/Pickleball-playing Associates that combine together to face off for bragging rights for the year. Some Associates are familiar faces as seen in our Recreation, Banquets, and Maintenance Departments, while others are from our heart of the house departments, such as Payroll, Communications, and Set-Up. Our team loves sharing our knowledge of the game, offering these tournaments as well as free clinics to our Associates twice weekly.

Thank you all for participating and starting more wonderful traditions at ORC.

Tennis

On the tennis front, mark your calendars for our Mixed Doubles Club Championship **November 19th and 20th**. Play will start at 9 a.m. and will have three flights for appropriate levels. Find your partner and sign up today by texting or emailing our Tennis & Pickleball Concierge Carolina

Quevedo at 305-522-1519 or cquevedo@oceanreef.com.

Pickleball

DUPR is the talk of the town at ORC and nationwide. We recently held our monthly DUPR rating tournament where 12 Members aimed to accumulate a pickleball rating. A few other ways to accumulate a DUPR pickleball rating would be to participate in any of our Ladies' or Men's Pickleball Leagues, Club Championships, or an organized game of your own inputting your own scores.

Croquet

Sherif Abdelwahab is at The Reef! Our guest Touring Croquet Pro will start **November 16th** and will offer lessons and clinics every Wednesday. We are fortunate to have a croquet champion and legend teaching us the game. Sign up today by calling the Tennis & Games Center at 305-367-6583 to book your time with Sherif.

Pickleball Tip of the Week

Maintain Your Ready Position

By Kevin Girard, Pickleball Professional

One of the most important aspects of your pickleball game is your ready position while at the kitchen line. Being prepared and having the ability to anticipate can really elevate your game quickly. Here are some tips for having a successful ready position at the kitchen line:

1. Have a wide base and keep your feet outside of your shoulders. This allows you to stay low and eliminates extra unwanted movement.

2. Have your body weight forward with your knees bent. Leaning into the court allows you to be more aggressive and take more balls out of the air to keep your opponent off balance.

3. Have your paddle up slightly favoring your backhand and your arms out in front of you. This allows for great defense for when your opponent decides to speed it up. A lot of times your opponent will "accidentally" hit your paddle as long as your able to keep it up and out in front.

Always assume that your opponent is going to speed the ball up at you...if they decide to hit a dink you will have plenty of reaction time to handle their shot. The more you stay in your ready position, the more it becomes muscle memory, so always stay ready whenever you are up at the kitchen line whether you are warming up with friends, drilling, or playing competitive pickleball!

For more tips like these, book a lesson with one of the Tennis & Games Center's Pickleball Professionals by calling 305-367-6583.

Card & Games Corner

by Gregg Van Dyke,
Director
of Card & Games

Men's Poker Night opened on Monday, November 7. We had nine players and everyone had good time. The next game will be on Monday, November 14. Call the Card & Games Room at 305-367-6609 for details. Don't miss out on a fun event!

The first Bridge, Canasta & Games Dinner of the season will be held on Thursday, December 15 in the Card & Games Room. More details to follow.

November Schedule Updates

The November Card & Games

The lovely ladies of Canasta arranged a nice luncheon to kick off the season last week.

schedule is out. You can pick up a copy at the Card & Games Room. Below are some highlights from it.

Mondays, Wednesdays and Fridays are all Live Duplicate Bridge Games starting at 1 p.m. Wednesday, November 16 will be a Unit 128 Championship Game, which means more points.

Canasta Lessons are available every Thursday

at 12:30 p.m. They are complimentary and an easy way to learn a new game. Once you learn it you have it for life.

Backgammon lessons available on Friday mornings at 10:30. Call me at 305-367-6609 and let me know you are coming. I have backgammon games that you may check out and take home to practice.

Do not forget to get your

Ocean Reef playing cards. They are available in both regular deck as well as special Canasta cards. These cards are unique to Ocean Reef Club and are available at the Gift Shop. They are a great souvenir or gift idea.

I'm looking forward to a fun season!

Bridge Tip of the Week

1430 Roman Keycard

1430 is a popular keycard asking convention to find out the number of keycards partner has in his hand.

Keycards

- There are 5 Keycards. All 4 Aces and the King of Trump.
- 4NT is the asking bid.
- The responses are:

5♣ = 1 or 4 Keycards (14)
 5♦ = 0 or 3 Keycards (30)
 5♥ = 2 or 5 Keycards without the Queen of Trump
 5♠ = 2 or 5 Keycards with the Queen of Trump

Voids

- 5NT = Even Number of Keycards (2 or 4) with a useful void.
- 6 level of void suit = Odd Number of Keycards (1 or 3), bidding the void suit.
- 6 level of trump suit = Odd Number of Keycards (1 or

3) with a useful void in a suit above trump.

Queen Ask

Sometimes we need to find out if partner has the Queen of Trump if partner does not response 5♥ or 5♠. If the 4NT initiator bids the next available suit that is not trump, he is asking if partner has the Queen of Trump.

Example:

1♥-4NT; 5♣-5♦ = Queen Asking.
 Rebid Response 5♥ = No, 5♠ = Yes
 1♥-4NT; 5♣-5♦ = Queen Asking.
 Rebid Response 5♥ = No, 5♠ = Yes
 1♠-4NT; 5♦-5♥ = Queen Asking.
 Rebid Response 5♠ = No, 5NT = Yes

Important Guidelines

- Do not bid slam if you are missing 2 keycards.
- Do not bid slam if you are missing 1 keycard and the Trump Queen
