Welcome back, Members! We all know that Ocean Reef Club is unique in every way. At the Tennis & Games Center, we're excited to kick this season off with a couple of unique events that we look forward to every year. ## Gotta Question?

My family is coming to Ocean Reef this weekend, what are some outdoor, on-shore sports we can enjoy at The Reef?

Aside from the obvious golf, tennis, pickleball and croquet, there's plenty more to do on land! First, you can enjoy the Mini Golf Course, located by the Marina Fitness Center. Just ask Bellstand for balls and clubs.

Second, you can take your family to Buccaneer Island for beach volleyball. Volleyballs will be on Marlin Beach or available at the Pool Desk.

Third, the Field at Four Corners has soccer goals set up, a Teqball table, and also provides the capability for a

variety of different grass sports to be played there.

Lastly, there are bocce courts and basketball courts, both with equipment on site, available for the community's use and located by the Associate Parking Garage.

## One Member's Almost Perfect Summer

by Joan  
Birsh

### NEW YORK, NEW YORK

My summer of 2023 began on June 18 in a rented apartment in the Chinatown district of New York City. My son Tom, home for a visit (he currently lives in Bangkok), was happy to be my housemate in an *Airbnb* rental on the 9th floor of a small building that features terraces with a lively view of the street.

We knew that our apartment was owned and frequently occupied by a man named "Boris" (*Airbnb* shares minimal information about their hosts). I made a game of concocting Boris's persona from clues – like his books, artwork, plants and orderly storage of kitchen equipment.

Boris's apartment was convenient and via Uber I was able to catch up with lots of my grandchildren in their 20's, who live and work in New York. We usually gathered at excellent restaurants (their choice, my treat). I also enjoyed browsing (and buying) at many unusual neighborhood shops.

A highlight of the NYC visit was a memorable excursion to the Metropolitan Museum, courtesy of Ocean Reef friend **Loretta Mackay**. Loretta invited my son and me to accompany her to a member's preview of the highly acclaimed Manet/Degas Exhibit. It was fascinating and it will really give me something to talk about at the first meeting of my Ocean Reef book club. Our theme this year is "Art".

I also made time for three Broadway shows. (No recommendations since they have all closed.)

On September 12 a group of Ocean Reef Members, who summer in the mountains of North Carolina, enjoyed a get-together at the beautiful Linville home of Adelaide Skoglund (second from the left).

### AULD LANG SYNE

In the beginning of July, I rented a small house near the beach in my old summer stomping ground – the lovely Victorian town of Cape May, NJ. It really was "old home week" (without my old bayside home, which I sold last year). Wonderful catch-up time with former tennis buddies. Nothing like reminiscing with friends that go back a couple of decades.

### PLAYBILL CRUISE TO ALASKA

For more than 30 years I was the editor of *PLAYBILL*, the ubiquitous program/magazine for Broadway theatres, as well as theatres around the country. So, for me, this 7-day cruise had an additional attraction of sailing with old colleagues, good friends, and a host of relatives. (e.g. A few years ago, my stepson Phil Birsh, now *Playbill's* president, added cruises to *Playbill's* repertoire. Phil and his son Alex oversee all of the big and small details from leasing the ship to lining up the Broadway entertainers.)

I had always wanted to travel to Alaska and, if anything, it exceeded my expectations. Alaska is BIG. The total area is 663,268 square miles with a population of only 732,000. That means thousands of miles of glorious scenery with nary a sign of a human footprint. At each stop on the cruise, there were small boats available for excursions that made it possible to have a close-up view of the bears, whales, bald eagles, waterfalls, and glaciers.

I'll bet that many OR Members who have journeyed there share my enthusiasm for the "pleasures of Alaska". It was one of my

favorite trips ever. When the sun set and it was too dark to admire the scenery, the *Playbill Cruise* offered the highly professional performances of six top Broadway stars, who each night took turns entertaining us. Imagine a series of extraordinary cabaret nights in the Cultural Center and you might get a sense of what a treat that was.

### MOUNTAINS OF NORTH CAROLINA

Before I describe the restful joy of being in the mountains, I must tell you of an event, so mind-blowing that it overshadows all other memories of summer '23. On April 12... I became a GREAT GRANDMOTHER!

My beautiful granddaughter Abby and her handsome husband Peter were the proud parents of a baby boy. And they named him Arthur. I know that somewhere up there his great-grandfather Arthur is whooping with joy, just as I am.

Of course, we all celebrated in North Carolina, a perfect place to treasure happy memories. This was my third summer in NC, and I have learned to love the scenery, the restaurants, the visits from grandkids and old friends – and the weather (in the mountains the idea of a heat wave is about 70 degrees).

I did lots of reading and painting. And on many mornings, I took my cup of coffee to the porch and just reveled in the mountain view and the spectacle of the hummingbirds making fast hits on the feeder (an aviary equivalent to McDonald's).

A highlight of my NC visit was a reunion of Ocean Reef Members, who spend all or part of the summer in the area.

The joy of being a Great Grandmother. Meeting baby Arthur for the first time.

Fourteen of us gathered in Linville at **Adelaide Skoglund's** home, which has a truly breathtaking view and an equally impressive garden. Interesting to see old friends in new surroundings.

### ALMOST PERFECT

All summer long, nearly every step I took was accompanied by someone saying, "be careful". And I was careful. But accidents are called "accidents" because that is exactly what they are. After the cruise when I returned for a 10-day stay in New York City before heading to Ocean Reef, I *accidentally* fell hard and dramatically!

The Scene: Intermission at *& Juliet*, a top Broadway musical. I was seated on the aisle in the fourth row. I stepped out to allow the man in the seat next to me to exit and he *accidentally* bumped me. Alas, the aisle in this theatre has small steps running from the back to the first row, so when I fell, I hit a step and landed in the aisle with a pretty impressive thump.

It was something of a miracle that I only grazed my head, landed on my side and had no problem with my legs, other than some heavy bleeding from a superficial gash on each of them. I had a minor case of traumatic shock and a sore back, which is now OK. Two health workers in the audience got me up and sat me in another aisle seat. The theatre's manager offered to take me to a private room to recover but I decided I would tough-it-out and stay for Act 2.

Like the old joke – *Other than that, Mrs. Lincoln, how was the show?*

Actually, it was terrific. And in retrospect so was the whole summer.

PHILANTHROPY MATTERS

# Join the ORCF Effort to Provide Humanitarian Relief to Israel

by Yurianna Mikolay, Executive Director Ocean Reef Community Foundation

In response to a wave of Member outreach in the days following the October 7 terrorist attacks, the Ocean Reef Community Foundation Israel Relief Fund was established to demonstrate solidarity with and provide humanitarian relief to Israel through US-based nonprofit organizations.

ORCF Chairman **Bill Nutt** emphasized, "This is certainly

about the funding, but it is not all about the funding. It's about saying something loudly of our support for Israel, and finding a meaningful way to benefit those who have been so badly harmed, in spirit as well as physically."

He notes that when there is a crisis outside the scope of our local All Charities effort, such as the disasters in Haiti that touched so many Ocean Reef employee families, the Foundation steps up to offer Members a thoughtful and effective way to respond.

The Foundation is working alongside the interfaith community of Chapel congregations to create such a response. In this case, it is a conduit for the community to show support for Israel and our friends and neighbors in the local Jewish congregation, who are so deeply personally impacted.

The Israel Relief Fund administered by the Foundation Executive Committee will benefit a slate of well-established,

highly credible and expert relief organizations, which may change as needs evolve.

Initial partners include the Greater Miami Jewish Federation Israel Emergency Fund, which is prioritizing basic needs for impacted families, the elderly and homebound; cash grants for critical supplies; emergency medical services, supplies and equipment; evacuation assistance for communities under fire; and trauma relief for first responders, the injured and families whose relatives were directly impacted.

Many members will recognize another partner, The Isaiah Project, and its leader -- former head of Christian-Judeo Relations for Israel and frequent guest at the Ocean Reef Chapel, David Nekrutman. The organization is on the ground helping in communities near the Gaza border directly impacted by missile attacks with basic needs, evacuation assistance, emergency response trauma packages,

mourners' tents and protective gear for first responders.

A third initial partner is the American Friends of Magen David Adom, the Israeli equivalent of the Red Cross, which operates blood drives and supports medical first responders providing lifesaving treatment in the midst of rocket attack and gunfire.

To join the Foundation in standing with Israel by making a tax-deductible donation to the Israel Relief Fund, mail your check made payable to the Ocean Reef Community Foundation with "Israel" in the memo line to 35 Ocean Reef Drive, Ste. 148, Key Largo, FL 33037. For more information and/or to make a donation from your ORCF Donor Advised Fund, please contact the Foundation at 305-367-4707 or [ymikolay@oceanreef.com](mailto:ymikolay@oceanreef.com).

# Israel: We Need to Pay Attention

by Rev. Dr. Bob Henley

My dog and I walked across the Sunrise Cay Bridge just as morning was breaking. A bank of dark gray clouds hung low over the water on the horizon. Wisps of white cirrus clouds and jet contrails laced the sky overhead. The tranquility was interrupted only by the quiet footfall of a jogger passing by.

As we walked, my mind went to another place where gray clouds hang low over the horizon. Wisps of contrails lace the sky. But these clouds are the dark clouds of war hanging low over Gaza. The contrails are from missiles launched in Gaza, raining down death and terror on cities and towns in Israel.

The border between Israel and Gaza has never been a place of tranquility. But what took place on Saturday, October 7th can only be compared with the genocidal acts of the Third Reich in the Holocaust. The barbarous acts carried out by Hamas terrorists on Jews for being Jews, were acts of pure evil.

To most of us, what took place seems inconceivable. That's why it is important to pay attention to the stated rationale that gave rise to these murderous actions.

Bruce Hoffman, writing in "The Atlantic," published an article titled, "Understanding Hamas's Genocidal Ideology: A Close Read of Hamas's Founding Documents." He summarized the 36 documents of the Hamas charter under four main points. They call for:

1. The complete destruction

of Israel as an essential condition for the liberation of Palestine and the establishment of a theocratic state based on Islamic law (Sharia),

2. The need for both unrestrained and unceasing holy war (jihad) to attain the above objective,

3. The deliberate disdain for, and dismissal of, any negotiated resolution or political settlement of Jewish and Muslim claims to the Holy Land, and

4. The reinforcement of historical anti-Semitic tropes and calumnies married to sinister conspiracy theories.

What took place on October 7th can only be understood considering the aims stated in the

Hamas charter. The horror inflicted that day was an intentional murderous act of jihad.

One of my close friends is an experienced Clinical Psychologist, with whom I had lunch regularly. He shared some of the terrible things he has dealt with in his practice. In reflection, he said to me, "If someone tells you they are going to kill you, pay attention!"

One person who knows Hamas is Mosab Hassan Yousef. He is the son of the founder of Hamas. He turned his back on his father's movement and became a spy for Israel. In his journey, he has become a follower of Jesus. We need to pay attention to what he says.

He told an interviewer, "I was born at the heart of Hamas leadership... and I know them very well. They don't care for the Palestinian people. They do not regard human life. I saw their brutality firsthand back in 1996 when I spent about a year and a half in Megiddo Prison... They killed so many Palestinian people at that point, and this is when I decided that I cannot be together with this movement."

Sincere people are protesting Israel's actions in Gaza. But there can be no moral equivalence between the evil perpetrated by Hamas terrorists on the Jewish people in the land, and Israel's legitimate right and duty to defend its nation and its people.

Most everyone is deeply troubled and deeply moved by these horrific events. The one thing we cannot do is be indifferent. We must now be resolutely willing to stand shoulder-to-shoulder with Israel, our ally, and the only democratic government in the Middle East, against this malignant existential threat

I encourage you to use whatever influence you possess to speak on Israel's behalf in any way you can. I encourage you to support humanitarian relief efforts. To that end, we have coordinated with the Ocean Reef Community Foundation on creating the Israel Relief Fund (More information on how to take part can be found on page 4). I encourage you to pray.

We can pray for the victims of these atrocities – the families, loved ones and friends of those brutally slaughtered, and for the some 200 hostages being held

captive in Gaza.

We can pray for those tasked with the horrendous work of dealing with the physical and emotional aftermath of the atrocities.

We can pray for the success of the IDF as they seek to destroy the monsters of Hamas. We pray for the protection of all those who live in the God-given homeland of the Jewish people. We can pray for the peace of Jerusalem.

We can pray for the innocents who are caught up in the conflict – those Palestinians, Christians and Jews who hate what is taking place and who simply want to live their lives in peace.

Finally, we can pray for the coming of the only true and lasting hope for peace in the Middle East and in our world. That hope is found in Isaiah's vision of God's Messiah, who will someday "...judge between the nations and will settle disputes for many peoples. They will beat their swords into plowshares and their spears into pruning hooks. Nation will not take up sword against nation, nor will they train for war anymore."

Every morning sunrise brings us one day closer to that day.

# Pouring With Purpose at All Charities Weekend: Imagine the Possibilities

By Amy Cornaire, All Charities Communications & Events Manager

On **February 3, 2024**, as corks pop and glasses clink, together we will celebrate and raise a toast to a noble cause: All Charities Weekend. The creation of All Charities was inspired by wine, beginning as the Ocean Reef Community Foundation Wine Auction Dinner in 1999 with the generous donation of an extraordinary collection. Wine, a cornerstone of this annual event, plays a pivotal role in our journey to make a difference.

The weekend's culmination, the Saturday night gala with its live auction, always features highly coveted items, including adventures steeped in centuries-old winemaking traditions while exploring renowned vineyards at home and abroad.

**Imagine the possibilities...** Visualize an unforgettable week in France with esteemed

personal concierge and sommelier Ethan Dupree. Embark on a journey through the vineyards and cellars of exclusive châteaux, uncovering the rich history, art, wine, and food of the Old World. Or... immerse yourself in the luxury of a Tuscan villa complete with a private chef, pasta-making classes, wine pairings, guided tours, and a wine-making workshop. Or... opt for an unforgettable behind-the-scenes Napa Valley experience, crafting personalized private label wines at Mount Veeder Magic Vineyards, hosted by the lovely winemaker herself, Karen Crouse. These curated trips from past All Charities Weekends delivered an intoxicating blend of culture, history, and, of course, fine wine. This year's live auction promises nothing less.

**Imagine the possibilities...** Too, right here at Ocean Reef our First Dibs dinners offer extraordinary opportunities for wine enthusiasts. Swirl, sniff, and sip in the exclusive company of celebrated

winemakers like Paul Hobbs. Embark on a culinary journey pairing wines with Napa Valley's finest, including the iconic Eisele Vineyards. Or savor the luxury of Champagne tickling your nose while playing leisurely rounds of golf, honoring the legacy of Dom Pérignon with John and Mary Lee's Fine Wine Society. Extraordinary opportunities like these await you.

Or is savoring wine at home with your loved ones your happy place? Then don't miss the "Cheers" section of the All Charities silent auction – a treasure trove of remarkable journeys of taste and terroir.

legendary Screaming Eagle Second Flight 2014. Cheers to that!

**You can help make the imagined real...** Do you have some wine to share? Your contributions make a genuine impact and every drop counts. We'll gladly provide packaging and shipping for your generous donation. Since 2008, together we have raised over \$63 million, enabling ORCF to provide a multitude of local financial grants focused on youth, education, community, health, and family services – improving lives here at Ocean Reef and outside the gates in our neighboring communities. Come February 3, let's all raise a toast at the All Charities Gala: **To possibilities imagined**, and to good health, giving hearts, and making the world a better place.

# Get Ready for the Season: Mandatory Golf Cart Registration Bolsters Roadway Safety

With the busy season on the horizon, ORCA Public Safety reminds residents of the mandatory golf cart registration policy that bolsters safety on our roadways. This straightforward, quick process provides a speed-rated decal to facilitate easy cart identification and appropriate

The red sticker represents fast carts which can go 18 mph or more. The blue sticker represents fast carts which can go a maximum of 17 mph.

use. Registration also helps Public Safety locate your vehicle should someone mistakenly take the wrong cart.

A red sticker is assigned to fast carts, which can go 18 mph or more. Golf carts with red stickers can use either roadways or designated cart lanes but must maintain a speed of 17 mph or slower while in a cart lane. As a reminder, the maximum speed throughout Ocean Reef is 25 mph, with traffic

signs specifically noting any 15-mph zones.

Slower carts with a maximum speed of 17 mph receive a blue sticker and must drive on cart paths. Children driving with a Public Safety permit may ONLY drive designated slow carts. The clear designation of what carts can use which travel paths promotes smooth traffic flow and safety.

To ensure Public Safety has accurate records, please notify the department when

selling your cart or acquiring a new one.

For your convenience, Public Safety offers complimentary home visits to register your golf cart. Visit <https://fs26.formsite.com/xljkMF/sf6fuw43c1/index.html?1610471804831> to start the registration process, and officers will deliver you your sticker. And, of course, Members are always welcome to visit the Public Safety Department to register located at 110 Anchor Drive.

# Where Everyone is Welcome

by Felicia M. Koretsky, Member Since 2010

**Michael Cardone**, chairman of the Ocean Reef Chapel Foundation, describes the upcoming season's message for the Fellowship Center in one word: *Harmony*.

With the escalating conflict in the Middle East, the independently-run non-profit Ocean Reef Chapel & Fellowship Center serves more than ever as a worship hub for everyone regardless of religious or political affiliation.

"We are all together here, we are all one here, you can feel it,"

Chapel Director Jessica Poitevin and Rev. Bob Henley at the remembrance walls in the Memorial Garden.

said **Jeannie Schiavone** referring to the connection she has to her fellow Chapel members of different denominations. "It's the way it ought to be, the way the world should be."

One of only a handful of its kind, The Chapel is home to four separate congregations under one roof; Catholic, Episcopal, Jewish, and Protestant. It is a center of respite, prayer, celebration, reflection, renewal, legacy, and community, open to both Ocean Reef Members and Associates.

At least two community-wide programs are scheduled for the 2023-2024 season.

"We have found a true home here at The Chapel. This is a place where we can come together as Jews, as one community, and feel comfortable, welcomed, and safe," said

**Susan Hirschbiel**, president of Congregation Ocean Reef. "The outreach from our Chapel partners has been absolutely fantastic in this very painful and difficult time. So many have expressed to me how comforting it is to have this home to come back to at Ocean Reef."

At 6 p.m. **Thursday, November 9**, the 85th anniversary of *Kristallnacht*, "a night of broken glass," Chaplain Bob Henley, along with visiting Rabbi Anne Feibelman, will hold a joint event to honor, pray for the state of Israel and all the innocent victims of the brutality of Hamas. The date is symbolic because it references the shards of glass that fell from the windows of Jewish homes, businesses, and synagogues when the Nazis invaded Germany and Austria in orchestrated attacks on November 9th and 10th, 1938.

Continuing in its message of unity, the Protestant and Jewish congregations will also co-host speaker Joshua Greene, who has written extensively about the Holocaust, at 5 p.m. **January 21, 2024**.

Last season, the multi-purpose center hosted 600 events and services with more than 20,000 people walking through its doors. Speaking engagements, music soirees, grief counseling, along with religious services, Bible studies, weddings and vow renewals took place.

The Chapel is also always open to all Ocean Reef Associates at no cost. In fact, when scheduling

permits, employees can host their weddings in the main sanctuary without charge, said Chapel Director Jessica Poitevin.

So far more for the upcoming season, 429 congregational and 150 non congregational services and events are planned. Rosary prayer groups, men's Bible studies, potluck gatherings, Christmas and Hanukkah services, kids ministry, weekly meetings of Chapel Women Connect (an interdenominational group), a fashion show, and Forget Me Nots Alzheimer support group are just some of what's on the Chapel calendar.

Debuting next month in the serene Memorial Gardens in the back of The Chapel is the addition of a new water feature and reflection pool. This will serve as a place where people can come to think about their life's blessings, hopes, past mistakes, lost family members and friends, and pray peacefully under the warm and welcoming skies of ORC.

Also donning the east and south sides of the gardens are seven and 10-foot-high granite remembrance walls, with attached plaques in varying sizes, honoring Ocean Reef Members who have passed. These structures are honorariums, not columbariums. No niches with ashes are permitted. The only living person's name permitted on a plaque is adjacent to a deceased Member's name, awaiting an end-of-life date inscription.

Schiavone purchased a plaque to honor her late husband, Ron. The two honeymooned in Ocean Reef in 1982 and soon after became Equity Members. He died in 2011. Active in multiple Chapel committees, she plans to spend a lot of time in the Chapel's gardens.

"Ocean Reef was our place together," she said. "Because of the importance of God in our lives and our trust in his plan, it felt like honoring Ron at The Chapel was the right thing to do. His friends can go there. I can go there. With the world being so topsy-turvy, it's a place I can go as often as I want. He's honored right here in this special place."

NEWS FROM THE MEDICAL CENTER

# Physical Therapy Introduces Thomas Barreiro, D.P.T

Thomas Barreiro, D.P.T

The Medical Center is pleased to announce the addition of Thomas Barreiro to its Sports Medicine and Physical Therapy Department. He is a native Floridian and grew up in Homestead.

When asked what drew him to a career in Physical Therapy, he states the following:

"I was born and raised in a close-knit community of Portuguese immigrants. Sports have always held a special place in my heart, particularly soccer, which I played passionately for many years. My journey into the world of physical therapy

began during my sophomore year of high school when I underwent surgery, specifically a meniscectomy. This experience ignited my passion for the field, inspiring me to pursue a career as a physical therapist.

I embarked on my academic journey at Florida International University, where I earned a bachelor's degree in recreational therapy. This phase of my education afforded me valuable opportunities to work with the elderly and individuals with disabilities,

significantly contributing to my development as a well-rounded therapist.

Later, I continued my studies at Florida International University, this time focusing on physical therapy. During my educational journey, I deepened my interest in biomechanics, strength and conditioning, and working with athletes.

While completing my clinical rotations, I gained valuable experience in inpatient care, primarily working with stroke patients and individuals with various neurological conditions. My clinical experiences took place at Baptist Health Homestead and Encompass Health.

Following my graduation, I began my professional career as a concierge-based physical therapist in Pinecrest, Florida, where I continued to explore the benefits of incorporating Pilates into rehabilitation, a

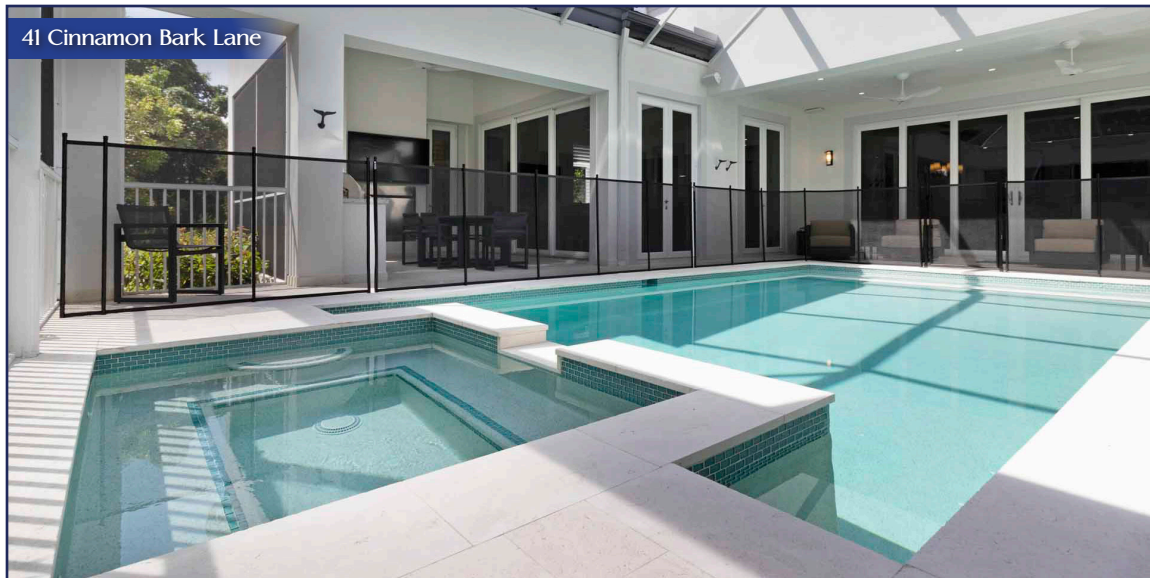

practice I thoroughly enjoyed. This experience has allowed me to provide a more holistic and effective approach to patient care.

Beyond my professional life, I'm an avid fitness enthusiast, spending my free time training at the gym. I'm also a passionate sports fan and enjoy watching various sports events."

The Medical Center is pleased to have Thomas as a part of the Medical Center's excellent team of healthcare providers.

Flu, COVID-19 and RSV vaccines are all available at the Medical Center. Visit us on the web at [www.mcor.org](http://www.mcor.org).

# National Fire Prevention Week at The Academy

By Jerome Murphy, Academy Head of School

As part of The Academy's attention to National Fire Prevention Week, we were delighted to recently host the firefighters from our ORCA Public Safety Department.

The team of firefighters met with an eager audience of two- to eight-year-old children to review the roles of firefighters, fire prevention strategies, and what to do in the event of a fire. Students learned or were reminded about the magic numbers---911, and were taught what to do in a fire. "Drop and Roll, Low and Go," were common refrains echoed by the firefighters. Children

The Academy students and ORCA Public Safety came together in honor of National Fire Prevention Week. The kids had a great time learning fire prevention, what to do in a fire emergency, and, the greatest highlight, spraying the firehose!

were also introduced to the equipment used and worn by firefighters, including the uniform and protective gear they wear....weighing 70 lbs.!

The highlight of the morning: All students had the

opportunity to spray the big firehose at a stationary target in the parking lot! Wielding that power, the kids had an absolute blast.

Your support of the All Charities Weekend strengthens entities,

like The Academy, that enhance Ocean Reef Club's Unique Way of Life and enables the Ocean Reef Community Foundation to provide for thousands in Key Largo, Homestead and Florida City. Call 305-367-5996 to learn more.

# New OxyLight Facial

"Spa Notes" by Jillian Barron, The Spa Director

New this Season at the Spa, we are excited to introduce this revolutionary technology within an antiaging facial treatment.

The OxyLight Facial is an exceptional treatment that combines advanced technologies and techniques to address various skin concerns. It is customizable, allowing for targeted solutions to issues such as fine lines, uneven skin tone, and other skin imperfections. It is painless and non-invasive, which means that it does not require an extensive recovery period. After the treatment, you can immediately return to everyday activities. This makes it an excellent treatment for people who do not have time for long-term recovery after aesthetic medicine treatments.

One session usually lasts from 50 to 80 minutes, although the duration may vary depending on the specific protocols and customization. For optimal results, a series of treatments is typically recommended. The exact number of sessions required can vary based on individual skin concerns and goals. In general, a series of

4 to 8 sessions, spaced 1 to 2 weeks apart, is suggested to achieve and maintain desired results. The OxyLight Facial is suitable for all skin types. Its customizable nature allows for adjustments to accommodate different skin concerns - whether you have oily, dry, combination, or sensitive skin, it can be tailored to address your specific needs.

Some of the modalities you may experience in this facial treatment include:

### DIAMOND DERMABRASION

Crystal-free microdermabrasion is a non-invasive skin rejuvenation procedure that uses suction and a diamond-tip wand to exfoliate and remove the outermost layer of dead skin cells. Unlike traditional microdermabrasion that uses crystals to exfoliate, the diamond-tip wand is more precise and controlled, allowing for a safer and more effective treatment.

### OXYGEN INFUSION

Oxygen facial is a non-invasive procedure that involves delivering high-pressure,

moisture-rich oxygen to the skin using Atomizing Spray. The pistol is designed to deliver a stream of moist, purified oxygen simultaneously with serums and nutrients into the deeper layers of the epidermis.

### BIOSONIX ULTRASOUND

BioSonix Ultrasound therapy is a non-invasive procedure that uses high-frequency sound waves and full spectrum LED Light Therapy to stimulate collagen production, and improve product penetration and the overall health and appearance of the skin.

### MYOLIGHT MICROCURRENT

MyoLight Microcurrent Therapy is a non-invasive procedure that uses low-level electrical current to stimulate the muscles and tissues of the face, neck, and décolleté. The IonixLight electrical current mimics the body's natural current, helps to tighten and tone the muscles (by exercising it), and promotes collagen production.

### LED LIGHT THERAPY

LED Light combined with Negative Ionized Oxygen exhaust provide a variety of benefits to the skin. The LED Light at specific wavelengths targets various skin concerns, such as wrinkles, acne, and hyperpigmentation. The Negative Ionized Oxygen helps to detoxify and revitalize the skin, promoting a more youthful and radiant complexion.

## CLUB SHOPPING

### Joan the Shopper

**Two Bags Full....** For more than eight decades (I am not counting ages 1 to 4 when my mother prevailed), I have been obsessed with "what to wear wherever." So it is not really surprising that packing for my summer travels, which involved short and long visits to five states and Canada, preoccupied me for the better part of 68 days.... The end result was two suitcases, an overhead carry-on, a large under-the-seat tote and a gigantic purse.... Alas, this whole conglomeration of bulging baggage was going to be with me on planes, a cruise ship, hotels and rental lodgings ....When I returned to Ocean Reef in October and began unpacking, I made a list of the things I wore (a much shorter list than the things I should have left at home). What follows are a few notes that might be helpful to fellow OR Members, who, like me, are candidates for Over-Packers Anonymous....

**DRESSES** – I packed 7 and wore 2 – a simple striped cotton t-dress from the **Burgee Shop** and a black polyester *Michael Kors*, that I bought (probably on sale) 15 years ago....

**SCARVES AND STOLES** – They offer variety and sometimes elegance to your wardrobe and take very little room in your suitcase. I packed 3 and then bought another (a design from a Van Gogh painting) at NYC's Metropolitan Museum. My next stole will probably come from **Lilly**, where there's a very attractive selection.....

**PANTS** – I took way too many pairs. Next time I am limiting myself to 2 pairs (one black and one navy) of **McLaughlin's** incomparable

wear-everywhere pants....

**TOPS** – Of the embarrassing number of tops that I packed, I wore 3, all the same quarter-zip in that wonderful fabric that has a silky feel and washes perfectly. One came from **Serendipity** and 2 from the **Burgee Shop**.

**SWEATERS** – My suggestions: a cashmere from **Vineyard Vines** and a useful cardigan or pullover. I wore a white cotton sweater that said "Island Garden". It came from that chic little store (formerly on Barracuda Lane). This season **Island Garden** can be found in the Fishing Village in the corner store opposite the Raw Bar....

**MISCELLANEOUS.... Jewelry and Cosmetics** – Don't do what I did. You don't need a different necklace every day or 3 watches. Earrings are small enough so you can be cavalier about packing them.... As for cosmetics, take only one of what you use every day. No extras.

**LAST WORD:** Three important reminders:

1. You can wear something more than once.
2. There are washing machines almost everywhere.
3. Leave room in your bag for future purchases.

## Kicking Off The Season at The Tennis & Games Center

Continued from | 1

Monday, October 23, where 21 Members and 21 Club Associates came together to face off for year-long bragging rights. Play began with teams playing a round-robin format in their respective flights, striving to win as many games as possible. The top-performing teams in each flight advanced to the semi-finals, which pitted Wendy Brainard and Jesus Quinones (Tennis Maintenance) against Tricia Griffin and Connor Ballantyne (Member Fitness Center). In the other semi-final match, Kevin Fish and Chef Kareem Anguin (Islander) challenged Tyler Massey and Mic O'Keeffe (VP of Sports and Amenities).

As the sun set on the horizon, the final match unfolded under the lights with every seat taken to view the final match. It was an epic showdown, and the crowd was hootin' and hollerin' for the final match between Massey/O'Keeffe and Griffin/Ballantyne. Rally after rally and serve after serve, the players left everything on the court, with Massey/O'Keeffe ousting Griffin/Ballantyne 6 to 3.

# Ocean Reef Club Golf Pros Shine on the Summer Fairways

By Mike Leone, Director of Golf

How did Ocean Reef Club's Golf Professionals spend their summer of 2023? WE PLAYED GOLF! Myself, Zach Haynes, Justin Seybuck and Ben Claus pushed each other all summer with countless hours in the Academy of Golf, short game area, and golf course working on our games.

Playing the Hammock Course all summer led to three things... 1. Improved driving accuracy 2. Precise wedge play 3. A few more

Zach Haynes, pictured here accepting his Bag Room Open award from J Guarch, will play in the 2024 PGA National Professional Championship April 28-May 1.

mosquito bites. The practice paid off. We all played well this summer in South Florida Section and Chapter events.

Here are some of the results from tournaments this summer:

**South Florida Section Pro / Assistant Championship:**

- T-12th - Mike Leone / Justin Seybuck – Scores: 69, 67

- T-17th - Zach Haynes / Ben Claus – Scores: 68, 69

**Southern Chapter Championship:**

- 5th – Mike Leone – Scores: 70, 73
- T-6th – Ben Claus – Scores: 72, 72

**Southern Chapter at Miami**

- Shores:**
- T-1st - Mike Leone – Score: 69

- T-6th – Justin Seybuck - Score: 74

In the biggest tournament of the year, the South Florida Section Championship, our back-to-back Bag Room Open Champion Zach Haynes represented Ocean Reef Club with exemplary skill and control. Zach played solid and steady golf in tough conditions over three consecutive days. Recording scores of 74, 73, and 71, Zach earned a T-11th finish which qualifies him for the 2024 PGA National Professional Championship! This is a tournament where Zach will compete against all other top Club Professionals from across the country. The tournament will be held at Fields Ranch at PGA Frisco on April 28-May 1st. The entire Ocean Reef Club community will be enthusiastically cheering him on!

# Academy of Golf Update

## There's a New Director of Instruction at the Helm

As Members make their way back to Ocean Reef for the winter, excitement is building for all of the "new" there is to experience Reef-wide this season. The Ocean Reef Academy of Golf is one of those things to look forward to, and not just because a complete refresh of the Academy was completed this summer! The Academy also celebrates a new Director of Instruction at the helm.

It is with great anticipation that the Club recognizes Stef Shaw, PGA, as ORC's new Director of Instruction. Stef worked under ORC's previous Director of Instruction, Derek Swoboda, whom the Club bid a fond farewell to last month. Derek is embarking on a new adventure as the Director of Instruction at John's Island Club where he, his wife, Carly, and their two sons will settle closer to family.

Stef has been a vital part of Ocean Reef's Academy of Golf for the past three seasons as an ORC Teaching Professional. Her accolades include being honored as a Golf Digest Best Young Teacher in America every year since 2018, a Golf Digest Best Teacher in the State of

Stef Shaw, ORC's new Director of Instruction

Florida, and a two-time GRAA Top 100 Growth of Game Professional.

Originally from Cleveland, Ohio, Stef's passion for golf was instilled by her father, leading her to play collegiate golf at Florida Southern College. She spent the first six years of her career working under the tutelage of Top 50 and Hall of Fame teacher Hank Haney. Subsequently, she held the position of Head Teaching Professional at Diamond Creek in Banner Elk, North Carolina, and spent winters at the Boca Resort in Boca Raton, working alongside Kellie Stenzel, a Top 100 Teacher in America. Stef has also spent much of the last three years studying under Top 50 and Hall of Fame instructor Mike Adams, working with our Members at Ocean Reef Club, and teaching summers at Sebonack Golf Club in Southampton, New York.

The Academy of Golf underwent a refresh this summer.

Director of Golf Mike Leone says, "Our Team is extremely proud to welcome Stef into her new position. She has been a wonderful asset to the Ocean Reef professional teaching staff and with her expertise, we've been able to elevate the Academy of Golf to new heights. I look forward to seeing what's in store for Stef and our Academy of Golf program at Ocean Reef."

This season, the Academy of Golf program will also

welcome a new instructor/club fitter to the team, Brad Pinho from Fiddler's Elbow, as well as seasonal teaching instructor Kelan McDonagh, who summers as Director of Instruction at Metedeconk National Golf Club in Jackson, NJ. The teaching staff also welcomes the return of biomechanics expert Bruce Rearick as the Academy's new Putting Instructor, available for monthly golf putting clinics.

# Building Your Fitness, Sports, and Wellness Team

**"Fitness Focus"**  
by Luis Bracamonte,  
Director of Fitness & Wellness

Every single pro athlete has a team of coaches working to improve every aspect of their game. Those teams comprise sports coaches, strength and conditioning coaches, personal trainers, nutritionists,

athletic trainers, physical therapists, massage therapists, stretching specialists, yoga and Pilates instructors, sports psychologists, movement specialists, and more.

The best in the world know that the amount of knowledge available is so vast it would be a significant disadvantage not to surround themselves with specialists who can keep their training, fueling, and recovering as efficiently and effectively as possible.

Our Club can provide all members with a team of experienced and dedicated sports, fitness, and wellness professionals to meet and exceed personal goals. Coaching a professional athlete differs significantly from coaching a non-professional,

yet having a dedicated team to address all aspects of training, nutrition, recovery, and mindset remains equally crucial in both cases. Goals such as developing lean muscle mass, reducing excess body fat, increasing strength, power, stamina, and movement efficiency, and becoming more flexible and pliable benefit everybody, not just professional athletes.

The older we are, the more critical exercise, movement, nutrition, and recovery become. We can continue enjoying our beloved sports, games, and hobbies throughout our lives by dedicating time to counteract the effects of aging, like combating muscle and bone loss. A combination of resistance exercise, cardiovascular conditioning,

and flexibility performed consistently and at the right intensity has proven to be an effective prescription against it.

The first step to take advantage of this Club benefit is contacting the Member Fitness Center to connect with an Ocean Reef Fitness Specialist who can provide the best path to achieve the desired outcomes. Our team of fitness and wellness professionals works together with sports coaches and medical teams to provide the best solutions and keep you motivated and on target. Use your resources and aim to make your body younger and stronger than what it is today.

To learn more, contact us at 305-367-5820.

# Bonnies Prepare to Celebrate 25 Years of Fishing, Fun & Friendship

By Mary P. Bloom, Member Since 1997

The Bonefish Bonnies will enjoy all sorts of fishing fun and friendship-expanding adventures throughout this, their 25th anniversary, season. From the **Nov. 15** opening luncheon (see below for details regarding your required reservation) and the annual holiday party on **Dec. 18** (details will follow in an upcoming *Ocean Reef Press*) to monthly luncheons, educational programs, travel adventures, three tournaments and the 25th anniversary celebration the

evening of **Jan. 22, 2024**.

## First Things First

Nov. 10 is the reservations deadline for the Wednesday, Nov. 15, 25th season-opening luncheon and meeting at The Residence Club. President **Laura Wilson** and the other officers of the board (**Jodi Zifferer**, vice president; **Johanna Carrier**, treasurer; and **Liz Zug**, secretary), will be welcoming Bonnies at the 10:45 a.m. check-in. The Membership meeting begins at 11 a.m., followed by a plated three-course meal, and will conclude at 1 p.m.

To make your reservation go to the Bonefish Bonnies website [bonefishbonnies.com](http://bonefishbonnies.com) and click the **RSVP For An Event** box on the homepage. Enter your name and email, choose the event and how many guests will be attending. Enter your ORC Membership number and click on "Submit." A copy of your responses will be emailed to the address you provided. The luncheon charge will be \$40 plus tax and gratuity. As all event venues at Ocean

Reef do, The Residence Club requires a list of attendees five days beforehand, therefore timely reservations are a must.

Bonnies won't want to miss this opportunity to reunite with friends, learn about what's ahead for the tournaments, other special events, and especially the 25th Anniversary Celebration. The season's calendar can be downloaded from any issue of *Tight Lines*, the Bonnies e-newsletter.

## Bonnie FAQs

Renewing your membership or joining the Bonnies for the first time has never been easier. Just

register online at [bonefishbonnies.com](http://bonefishbonnies.com), be sure to complete both the Membership Form and the Waiver and Release Form (in addition to your signature, don't forget to check the "I agree" box on the waiver). The Bonnies are happy to welcome members throughout the season.

Who are the Bonefish Bonnies? They are women interested in fun, friendship and sharing the joy of fishing, no matter the level, technique, or location. Membership is open to all dues-paying women of Ocean Reef and Key Largo Anglers Clubs and their mothers, daughters or granddaughters. The season typically runs from early November through April, with fishing trips scheduled throughout the season. Various events, classes and fishing trips are priced separately on a pay-as-you-go basis.

For additional information, check the Bonefish Bonnies Bulletin Board in the Reef Treats Lobby or reach out via [BonefishBonnies1@gmail.com](mailto:BonefishBonnies1@gmail.com).

BRIDGE TIP OF THE WEEK

# Invisible Cue-Bids

by Gregg Van Dyke, Director of Card & Games

### In a Nutshell

In the late 1970s a concept known as "unusual over unusual" was developed (not sure by whom) to cope with an opponent's unusual 2 NT overcall. While reasonable, its specific application to one type of two-suited overcall was shortsighted. Therefore, I generalized it for all two-suited overcalls and added some additional agreements. Basically, the cheapest bid in an enemy shown suit is

a raise of opener's suit (see details for more).

The name also had to be changed (e.g., "unusual over unusual" sounds stupid if the enemy bid is Michaels) so invisible cue-bids were born. (This was introduced in 1981 in "Modern Bridge Conventions," a book I co-authored with Bill Root.) Alas, the name didn't catch on.

### Details

After a Michaels cue-bid, unusual 2 NT, Roman jump overcall, or any other bid that shows a two-suited hand, the following structure called "invisible cue-bids" applies:

- West - 1x
  - North - Bid\*
  - East - ?
  - South
- \*2-suited hand

### Call

- Double
- New suit
- Single raise
- 2 NT
- 3 NT jump
- 3 NT nonjump
- Jump shift
- Jump raise
- Cheapest cue\*
- Higher cue\*
- Any jump cue\*

### Meaning

- 10+; creates forcing auction
- 6-9; 6+ (good 5) cards; NF
- 6-9; NF
- 9-11; natural with fit; I
- 12-14; natural with fit; NF
- 9-14; natural with fit; NF
- weak
- weak
- 10+; raise of suit opened
- 10+ HCP; 5+ 4th suit; F
- 13+; splinter raise; GF

\*A bid is a cue-bid only if the suit was specifically shown. The "higher cue" is available only when two specific suits were shown.

### Subsequent bidding:

1. After the "higher cue," if opener rebids in notrump or his original suit, this confirms a minimum and is nonforcing. A "raise" of responder's indicated suit is forcing below game.
2. After doubling, if

- responder next bids a new suit or a suit implied by the enemy, it is natural and forcing below game.
3. If responder passes over the two-suited overcall and later bids a suit implied by the enemy, it is natural and nonforcing.
